

Utah Military Academy (UMA) Date: 12 August 2022

REQUEST FOR PROPOSALS (RFP) — for Chromebook Laptops. UMA is soliciting proposals from parties (the Organization) having specific interests and qualifications in the areas identified in this solicitation. UMA will review and evaluate proposals. Bidders should emphasize specific information considered pertinent to this solicitation and submit all information requested. Interested parties shall email the response to this RFP to: [borris@utahmilitaryacademy.org](mailto:borris@utahmilitaryacademy.org). The email subject line should clearly state “RFP — ChromeBook Laptops.”

- **Need:** UMA needs **four hundred (400)** Dell ChromeBook Laptops meeting the following specifications:
  - Dell ChromeBook 3100 Education Intel 44020, 4GB RAM, 16 GB eMMC Storage
  - 11.6 in display
  - One year warranty
  - ChromeOS Management Service only for EDU, perpetual license.
- **Selection Process:** We will select a vendor after a holistic evaluation of the proposals received according to several factors, including price efficacy and vendor qualifications. Relevant references may be considered in judging vendor qualifications. Every reasonable effort will be made to compare vendor proposals on a fair and equitable basis. Cost will be a primary factor in bid evaluation, but emphasis will be placed on the overall value proposition of the vendor’s proposal, including the vendor’s financial stability, size, and relevant experience in delivering comparable services, and relevant experience with charter schools.
- **Questions & Contact Information:** Please address questions concerning this RFP to William Orris, Superintendent, ([borris@utahmilitaryacademy.org](mailto:borris@utahmilitaryacademy.org)).
- **Proposal Deadline & Schedule:** The School will accept proposals immediately and will publically post this notice until 219 August 2022. Notification of acceptance will be made electronically.
