a) Language Arts and Mathematics Ends Policy

BOY data will be shared in the October meeting. ROAR reading groups begin in September. Teachers are using BOY data to place the students in leveled groups to work on specific skills.

b) Science, Arts, and Technology Ends policy

We are beginning the work on our first Drama club performance of the year. We had 78 students audition and anticipate another 30 for tech crew. Toot our Horn!

1. We ROAR all the staff of LVA for a great start to the year. We have had a wonderful beginning and are super excited for the year ahead. None of this success happens by accident and is the result of the skills, hours of work, and dedication to our students.
2. 5th Grade team held a great camp this year. Again it was thanks to the many hours and skills of adults both employee and volunteer working together to make this a success.
3. Cross country, girl's volleyball, and boy's soccer are off to a great start. Our students will surely make us proud and represent us well during their seasons.
