**Purpose:**

This policy addresses specific legal guarantees to Private, Home School, and Bureau of Indian Education (BIE) students not enrolled at Lakeview Academy to allow for participation in statewide assessments.

**Policy:****Private School Students**

To participate in statewide assessments currently administered at Lakeview Academy, a private school where the student is enrolled, must contract with Lakeview Academy for test administration no later than October 1 of the current school year. The contract will include but is not limited to proctor and supervision costs, timelines, and requirements.

**Home School Students:**

Home School students may not be charged any testing or administration fees that are not directly charged to “traditional” students. Parent, guardian, or adult participation in administering tests for homeschool students is not required.
