

# SPONSOR A STUDENT

The Young Living Foundation Sponsor a Student program is an amazing opportunity for you to support and mentor a child in need. For \$75 a month—less than \$3 a day—you can make a student a part of your family. Your sponsorship will provide a student at the Young Living Academy in Ecuador with nutrition, school supplies, a high-quality education, and much more!

Sponsoring a student means you are joining a child on a journey as they learn, grow, and chase their dreams. You will inspire them—and they will leave you inspired.

## ABOUT THE PROGRAM

### Correspond

This is what makes sponsoring a student such a rewarding experience! Through regular emails, letters, and images, you and your family can build a personal relationship with your sponsored student.

### Share Dreams

You'll learn about your student's family, community, interests, and dreams for the future. You may also have the opportunity to meet your student at a Young Living retreat or Foundation service trip.

### Empower

Your mentorship and direct connection will in turn give that student hope and motivate him or her to achieve more.

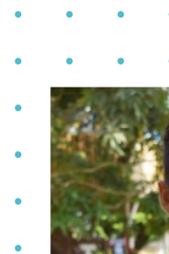

## WHAT YOUR SPONSORSHIP PROVIDES

Your sponsorship supports your student throughout their educational career by covering their immediate and lasting needs. From your \$75 monthly contribution, \$10 will go toward helping us expand the school so more students can enroll in the Academy. It also helps add fundamental resources to the school such as updated technology, kitchen and school ground equipment, and educational supplies.

Additionally, \$5 from every sponsorship will go to the D. Gary Young Global Leadership Fund for Higher Education that provides scholarships for students after they graduate so they can pursue a university degree or vocational training in pursuit of their career dreams.
