Adopted: 27 September 2022

1. **GENERAL:** Teacher licensing in Utah ensures your student' teacher is highly qualified to be teaching.

The Board delegates to the Administration the responsibility for implementing policy for LEA specific licenses in accordance with *Utah Administrative Code R277-301-7: LEA-Specific Educator License Requirements*.
3. **DEFINITIONS:** In order to understand this process, several definitions are provided:

individuals to meet the requirements for a Utah professional license or license area of concentration. UMA teachers completing the APPEL pathway will:

- Be assigned a UMA defined mentor-educator or an instructional coach.
- Be observed/evaluated by the School Administrator using a UAPCS-provided UETS observation tool at the beginning and end of the candidate's program. Be observed/evaluated at least twice a year using either a school-approved evaluation tool or the UAPCS-approved UETS observation tool.
