

Restrictions on Contracts with Entities Boycotting Israel

For all contracts the District enters into after July 1, 2021 to acquire or dispose of services, supplies, information technology, or construction:

1. For greater than \$100,000; and
2. With a company that employs ten or more people

the District shall include the following written certification in such contract:

Section 67-2346, Idaho Code, prohibits the Payette School District from contracting with any company (of more than ten employees) that engages in a boycott of Israel. Per Section 67-2346, such a boycott means ‘engaging in refusals to deal, terminating business activities, or other actions that are intended to discriminate against, inflict economic harm, or otherwise limit commercial relations specifically with the state of Israel or territories under its control, or persons or entities doing business in the state of Israel or territories under its control.’ By entering into this agreement, we acknowledge that we do not currently engage in – and will not engage in during the duration of this contract – a boycott against the State of Israel or its territories.”

If, subsequent to July 1, 2021 the District has entered or enters into a contract that does not include the required certification, the District has a period of 90 days from discovery of this status to obtain the required certification. If the District fails to obtain such certification within the 90 day period, as a matter of law the contract is declared void.

For all contracts entered into by the District prior to July 1, 2021, that do not contain the required certification, the District shall not renew such contract without inclusion of the required certification.
