Useful information:

- **PLEASE get your BACKGROUND CHECKs completed ASAP for Volunteering:**
This is a common practice for most schools and **must** be completed in order to chaperone or help out with *any* activity involving repeat or extended time with students. This includes those helping with team times, flight parents, in classrooms, chaperoning field trips, fun activities, etc. If needed, funds may be available to help cover the fee.
 - **Option 1:** YUP Fingerprinting. Go to <https://www.yupfingerprinting.com/> to set up an appointment. Cost is \$21. The school has provided a form that must be printed, filled out, and brought to your appointment. They will get them sent through the background check process (BCI) and into the school. There are several locations.
 - **Option 2:** You can also get a background check done directly at Utah BCI. This is a walk-in option. Office hours are 8:00 am to 5:00 pm, Monday through Friday. BCI is closed weekends and state holidays. The Application for Criminal History Record is available online, and can help speed up the process if filled out beforehand. Website: <https://bci.utah.gov>.

Located at: 3888 West 5400 South, Taylorsville, UT 84129 - the building is behind McDonald's restaurant. (801) 965-4445 The fee is \$15. Report sent with you, bring to the UMA office to record and file. This is the FASTEST option currently available.
