Appointments and Election for board vacancies

Opening(s) on the Board of Trustees, except the Parent Elected Trustee, will be filled by 2/3rds majority vote by all board members. A parent elected vacancy shall be filled by a new parent election.

Term of Office and removal of Trustees

Any Trustees who are serving on the Board of Trustees on the first day of the Operational Phase shall serve for an indefinite term unless the Trustee is removed for Disciplinary Action, violates the corporations' by-laws, or meets one of the criteria under Removal from Office.

All new Trustees, except the Parent Elected Trustee, shall serve an initial term of two to four years to be determined at the time of appointment so that no two Trustees terms expire at the same time. After the term expires, a new term may be offered to the prior Board Trustee by 2/3 majority vote, with the exception of the Parent Elected Trustee who must be re-elected by the parents of currently enrolled students.

Section 3.3 Vacancies, Terms and Compositions of Board

A vacancy caused by a death, resignation, or removal of a Director or by a resolution of the governing Board of Trustees increasing the number of Trustees shall be filled by the majority vote of the remaining Trustees.

Any Trustees who are serving on the Board of Trustees on the first day of the Operational Phase shall serve for an indefinite term unless the Trustee resigns by giving written notice to the president or to the secretary of the corporation. Any trustee may be removed from office by a two-thirds vote from the remaining Trustees. Each Trustee whose term begins after the first day of the operational phase shall be either appointed by the Board of Trustees or appointed by the Board of Trustees after having been elected in a vote by the parents of students attending the corporation's school. The Board of Trustees shall appoint Trustees not elected by the parents of students attending the corporation's school for terms of two (2) to four (4) years to be determined at the time of appointment so that no two Trustees terms expire at the same time. The Board of Trustees shall appoint Trustees elected by the parents of students attending the corporation's school for terms of two (2) years, unless such appointment is to replace an

elected Trustee who did not finish their term, in which event their appointment shall be only for the remainder of such original two (2) year term.
