Continuous professional development and growth. Plus, leadership opportunities.

Book and classroom supply budgets, coaching opportunities (FRCS is part of OSAA 1A and High Desert League) and much more!

## WHO WE ARE

We are a public charter school located in Ontario, Oregon with a K-5 Community School, 6-8 Jr. Preparatory School, and a 9th-12th Senior Prep.

**K-5 Community School** has a dual-language immersion program designed to teach students in their first and second language in one week increments. This provides the opportunity for the teacher to have all of the materials, books, posters, etc. in the target language creating a “whole immersion environment.” This type of team teaching creates a positive collaborative environment allowing new teachers the comfort and guidance from a more experienced teacher while acquiring new skills and strategies.

### **Our 6–8 Jr. Preparatory School**

continues the mission of dual language in language arts and mathematics. The Jr. Preparatory School also advances students' leadership, responsibility, and prepares students for Sr. Preparatory and Early College.

**In grades 9–12**, students at Four Rivers Sr. Prep have the opportunity to earn college credit beginning their sophomore year through Treasure Valley Community College alongside of their high school diploma. In addition to the Early College model, students continue their academic Spanish language coursework through AP courses, Spanish interpreting and work toward the State of Oregon Seal of Biliteracy.

## **OUR MISSION**

Four Rivers Community School is dedicated to providing progressive dual-language instruction and whole family education. Our students and staff demonstrate pride, purpose and performance through everyday classroom activities and community involvement. We embrace diversity and cultural appreciation through instruction and practice.

## **OUR VISION**

To build generations of bi-literate and culturally engaged learners who envision a future of possibilities.

# ARE YOU READY?

We provide an excellent opportunity for passionate educators.

The community environment of our school shows our strength, commitment, and love for teaching. It is our hope to continue providing the best education for our students by hiring the very best teachers.

If you are looking for a great place to continue your education, share your talents, and have a lot of fun, please send your resume and cover letter to:
