## Family Community Parent Involvement

Here at Progressive Preschool, we encourage families to be involved in their child's classroom. In addition to weekly conversations with your teachers, volunteering is a great way for you to spend time with your child and get to know the classroom teachers and your student's friends. Our Progressive Preschool Family Community thrives on parents like you to engage with all of our young minds. Lending a helping hand a minimum of six hours per year (September to August) is an expectation of our program. You may break these hours up how you wish. The monthly newsletter may include ideas and suggestions on how you can get involved in the classroom. If you have any ideas of your own, please let us know and we will gladly accept your suggestions. Here is a list of ideas:

### Volunteer at Preschool Ideas

- |   |  |
|---|--|
| Reading Stories                             | Playground Games   |
| Join us for meal/snack times                | Sweep outside playground                                     |
| Sanitize toys                               | Clean windows/mirrors  |
| Share musical talent                        | Share career   |
| Teach phrases in second language            | Help sanitize mats   |
| Help run stations at parties                | Washing and vacuuming out vans                               |
| "Honey Do" Repairs or construction projects | Paint touch up (spackle and sanding may be required as well) |
| Vinyl fence washing (power wash)            | Weeds and yard maintenance                                   |
| Sweeping parking lots                       | Share unique food/snacks*                                    |

### Take Home Volunteer Ideas

- |  |   |
|--|---|
| Make play dough for preschool                            | Make slime for preschool                          |
| Prepare a craft  | Cut out lamination                                |
| Tape repair books (Book Hospital)                        | Sew new or repair mat covers                      |
| Hand stitch puppet or stuffed animal legs & arms back on | Put registration packets together for new clients |
| Put together quiet nap activity kits                     | Scanning files into laptop                        |
