

PAYETTE SCHOOL DISTRICT BOARD GOALS

Mission Statement: “The Payette School will provide high quality instruction in a collaborative, respectful learning environment with opportunities to explore and develop personally; postured for future success.”

2022-2024 Board Goals:

1. Have student achievement be our top priority and focus

- Consistently use data to track student and school improvement.
 - Learn what data is important to review and with what frequency.
 - Review and understand data consistently as a Board so that improvement of the district is tracked and measured.
- Discuss student achievement at February and June Board meetings.
- Acknowledge outstanding student achievement/accomplishments.

2. Approve and Monitor the Continuous Improvement/Strategic Plan

- Use the Strategic Plan and Continuous Improvement Plan as the guide to board decisions and district funding.
- Update and revise annually in accordance with Idaho Code.
- Review district policies for consistency with strategic plan and board goals and update as needed.
- Budget according to long range facilities plan and voter approved facilities improvements.
- Ensure that administrative and teacher performance/evaluations are consistent with student achievement.
- Conduct quarterly Board work sessions to address timely issues.

3. Support A Collaborative District Environment and Positive School Climate

- Support efforts to improve communication between board, administration, school to school, teachers, parents and community.
- Support schools in their recruiting efforts to get more parents/community members interested and actively involved in our schools.
- Support programs that enhance student morale, teacher morale, and community support.
- Support efforts to obtain student input regarding achievement and policies.

4. Support Student, Parent, Staff and Community Relationships

- Cultivate and support student and parent community outreach programs
- Acknowledge outstanding teacher performance at Board meetings to recognize their efforts regarding student achievement.
- Support professional development for teachers (workdays)
- Maintain collaborative relationships with emergency services.
