Mission - Our mission is to provide a quality holistic education to all students by providing opportunities for them to be active, knowledgeable, creative, and conscientious individuals. GreenWood inspires a healthy balance in life through healthy eating habits, exercise, personal discovery, service learning, and environmental stewardship.

Vision - Our vision is that every GreenWood student will gain an understanding and appreciation for all aspects of their life. Our vision of student achievement has three dimensions: Mastery of Skills and Knowledge, High-quality Work, and Character. To accomplish our vision GreenWood will model its services after six core HEALTH Values: Healthy Habits, Environmental Stewardship, Achievement, Leadership, Thinking Creatively and Honoring Diversity.
