I.B. DEFINITIONS AS USED IN THESE RULES (34 CFR §§ 300.4–300.45; RULES I.E.)

students with disabilities to ensure those students receive special education and related services appropriate to their needs.

I.D. METHODS OF ENSURING SERVICES (34 CFR § 300.154; RULES IX.A.2.D.(2)(M))

1. Excelsior Academy ensures each eligible student with disabilities enrolled in the school receives the services included in the IEP through a systematic process of IEP internal file reviews and monitoring of service delivery by Excelsior Academy personnel.

II. IDENTIFICATION, LOCATION, AND EVALUATION

II.A. CHILD FIND SYSTEM (34 CFR §§ 300.109, 300.111; RULES II.A.)

1. Excelsior Academy, in accordance with the requirements of Part B of the IDEA and with the Rules, has developed policies and procedures to ensure that all students with disabilities enrolled in Excelsior Academy, including students with disabilities 5 through 16 years of age and, regardless of the severity of their disability, and who are in need of special education and related services, are identified, located, and evaluated. These policies and procedures include a practical method for determining which students are currently receiving needed special education and related services and provide a process to reevaluate those who are found eligible within the three-year timeframe.
2. The requirements of this section apply to:
 - a. Highly mobile students with disabilities (such as students who are migrant and experiencing homelessness) (34 CFR § 300.111(c)(2)).

1. Parental consent for initial evaluation.
 - a. When Excelsior is proposing to conduct an initial evaluation to determine if a student qualifies as a student with a disability under the Rules, the Academy will, after providing prior written notice to the parent, obtain informed consent, consistent with Rules I.E.9, from the parent of the student before conducting the evaluation.
 - (1) Consent from a parent for initial evaluation must not be construed as consent for initial provision of special education and related services.

- (2) Excelsior Academy must make reasonable efforts to obtain informed consent from the parent for an initial evaluation to determine whether the student is a student with a disability.
 - (3) When conducting psychological evaluations, Excelsior Academy must implement the parental consent requirements of UCA 53E-9-203 (Student Privacy and Data Protection).
 - b. For initial evaluations only, if the student is a ward of the State and is not residing with the student's parent(s), Excelsior Academy is not required to obtain informed consent from the parent for an initial evaluation to determine whether the student is a student with a disability if:

 - b. Excelsior Academy must make reasonable efforts to obtain informed consent from the parent(s) for the initial provision of special education and related services to the eligible student with disabilities.
 - c. If the parent(s) of a student fails to respond to a request for, or refuses to consent to, the initial provision of special education and related services, Excelsior Academy:
 - (1) May not use the procedures in of the Rules IV., including the mediation procedures or the due process procedures, in order to obtain agreement or a ruling that the services may be provided to the student;

 - (3) Is not required to convene an IEP Team meeting or develop an IEP for the student for the special education and related services for which Excelsior Academy requests such consent.
 - d. If, at any time subsequent to the initial provision of special education and related services, the parent(s) of a student revokes consent in writing for the continued provision of special education and related services, Excelsior Academy:
 - (1) May not continue to provide special education and related services to the student but must provide prior written notice in accordance with Rules IV.D. before ceasing the provision of special education and related services;
 - (2) May not use the procedures in Rules IV., including the mediation procedures or the due process procedures, in order to obtain agreement or a ruling that the services may be provided to the student;
 - (3) Will not be considered to be in violation of the requirement to make available a FAPE to the student for the failure to provide the student with the special education and related services for which Excelsior Academy requests consent; and
 - (4) Is not required to convene an IEP Team meeting or develop an IEP for the student for the special education and related services for which Excelsior Academy requests such consent (34 CFR § 300.300).
3. Parental consent for reevaluations.
 - a. Excelsior Academy must obtain informed parental consent prior to conducting any reevaluation of a student with a disability.

 - c. Excelsior Academy does not violate its obligation under child find if it declines to pursue the reevaluation.
 - d. The informed parental consent need not be obtained if the ACADEMY can demonstrate that:
 - (1) It made reasonable efforts to obtain such consent; and
 - e. The student's parent has failed to respond.
4. Other consent requirements.
 - a. Parental consent is not required before:
 - (1) Reviewing existing data as part of an evaluation or a reevaluation; or

- (2) Administering a test or other evaluation that is administered to all students unless consent is required for all students before administration of that test or evaluation.
- b. Excelsior Academy may not use a parent's refusal to consent to one service or activity under Rules II.C.1., II.C.2., or II.C.3., to deny the parent or student any other service, benefit, or activity of the ACADEMY, except as required by this part.
- c. To meet the reasonable efforts requirement in Rules II.C.1.a.2., II.C.1.b.1., II.C.2.b., and II.C.3.d.1., Excelsior Academy must document its attempts to obtain parental consent using the procedures in Rules III.G.3.
- d. Unless parent(s) revoke consent for special education and related services or refuse consent for initial placement, disagreements regarding the provision of IEP services should be resolved by the IEP Team and result in a completed IEP which includes all components necessary for the provision of FAPE.

II.D. INITIAL EVALUATION (34 CFR § 300.301; RULES II.D.)

1. Excelsior Academy must conduct a full and individual initial evaluation to determine whether a student is a "student with a disability" under Part B of the IDEA and the Rules, and to determine the educational needs of the student.
2. The initial evaluation:
 - a. Must be conducted within 45 school days of receiving parental consent for the evaluation, unless:
 - (1) The initial evaluation is requested by the Division of Child and Family Services (DCFS) and Excelsior Academy obtains appropriate consent for the evaluation, in which case Excelsior Academy shall provide an initial special education evaluation to an individual who enters DCFS custody if DCFS suspects the individual may be an eligible student within 30 days after the day on which DCFS makes the request (UCA 53E-7-207).
 - (a) Excelsior Academy may refuse to conduct an evaluation described in the Rules II.a.(1). if Excelsior Academy reviews the relevant data regarding the individual and, within ten days after the day on which Excelsior Academy received the request described in the Rules II.a.(1)., gives the DCFS prior written notice of refusal to evaluate.
 - b. Must consist of procedures to determine:
 - (1) If the student is a student with a disability; and
 - (2) The educational needs of the student.
3. The timeframe shall not apply to Excelsior Academy if:
 - a. The parent of a student repeatedly fails or refuses to produce the student for the evaluation; or
 - b. The student repeatedly fails or refuses to participate in evaluation activities; or

- c. A student enrolls in Excelsior Academy after the relevant timeframe has begun, and prior to a determination by the student's previous ACADEMY as to whether the student is a student with a disability.
- d. The exception in Rules II.D.3.c. applies only if Excelsior Academy is making sufficient progress to ensure a prompt completion of the evaluation, and the parent and Excelsior Academy agree to a specific time when the evaluation will be completed.

II.E. SCREENING FOR INSTRUCTIONAL PURPOSES (34 CFR § 300.302; RULES II.E.)

- 1. The screening of a student by a teacher or specialist to determine appropriate instructional strategies for curriculum implementation shall not be considered to be an evaluation for eligibility for special education and related services. Results of screenings should be considered by Excelsior Academy for child find purposes.

II.F. EVALUATION PROCEDURES (34 CFR § 300.304; RULES II.F.)

- 1. Excelsior Academy has established and implemented procedures that meet the evaluation requirements of Part B of the IDEA and the Rules as follows:
 - a. In conducting the evaluation, Excelsior Academy must:
 - (1) Use a variety of assessment tools and strategies to gather relevant functional, developmental, and academic information about the student, including information provided by a parent that may assist in determining:
 - (a) Whether the student is a student with a disability; and
 - (b) The content of the student's IEP, including information related to enabling the student to be involved in and progress in the general education curriculum;
 - (2) Not use any single procedure as the sole criterion for determining whether a student is a student with a disability and for determining an appropriate educational program for the student; and
 - (3) Use technically sound instruments that may assess the relative contribution of cognitive and behavioral factors, in addition to physical or developmental factors Excelsior Academy must consider the publication date and continued validity of assessments in use when new editions are published.
 - (4) Excelsior Academy must ensure that assessments and other evaluation materials used to assess a student:
 - (a) Are selected and administered so as not to be discriminatory on a racial or cultural basis;
 - (b) Are provided and administered in the student's native language or other mode of communication, and in the form most likely to yield

accurate information on what the student knows and can do academically, developmentally, and functionally, unless it is cAcademyrly not feasible to so provide or administer;

 - (ii) Excelsior Academy shall provide documentation to USBE staff upon request.
- (5) Excelsior Academy must ensure that:
- (a) Assessments and other evaluation materials include those tailored to assess specific areas of educational need and not merely those that are designed to provide a single general intelligence quotient.
 - (b) Assessments are selected and administered so as best to ensure that if an assessment is administered to a student with impaired sensory, manual, or speaking skills, the assessment results accurately reflect the student's aptitude or achievement level or whatever other factors the test purports to measure, rather than reflecting the student's impaired sensory, manual, or speaking skills (unless those skills are the factors that the test purports to measure).
 - (c) The administration of psychological testing and the evaluation or assessment of personal characteristics, such as intelligence (e.g., cognitive, IQ), personality, abilities, interests, aptitudes, and neuropsychological functioning are only administered and interpreted by personnel who have been trained and fully meet the administrator/interpreter/user qualifications of the test publisher (e.g., appropriate degree, higher education coursework in tests and measures, and supervised clinical experiences/practica).

- (d) The student is assessed in all areas related to the suspected disability, including, if appropriate, health, vision, hearing, social and emotional status, general intelligence, academic performance, communicative status, and motor abilities.
 - (e) Assessments of students with disabilities who transfer from another ACADEMY to Excelsior Academy in the same school year are coordinated with those students' prior and subsequent schools, as necessary and as expeditiously as possible, to ensure prompt completion of full evaluations.
 - (f) In evaluating each student with a disability, the evaluation is sufficiently comprehensive to identify all the student's special education and related services needs, whether or not commonly linked to the disability category in which the student has been classified.
 - (g) Assessment tools and strategies provide relevant information that directly assists persons in determining the educational needs of the student are provided.
- b. The USDB is available to ACADEMYs for assessments of students with visual impairment and hearing loss, as well as professional learning on appropriate administration of assessments, and procedures to ensure appropriate interpretation of assessments (R277-800-7).

II.G. REEVALUATION PROCEDURES (34 CFR § 300.303; RULES II.G.)

1. Excelsior Academy must ensure that a reevaluation of each student with a disability is conducted:
 - a. If Excelsior Academy determines that the educational or related services needs, including improved academic achievement and functional performance, of the student warrant a reevaluation; or
 - b. If the student's parents or teacher requests a reevaluation.
2. A reevaluation:
 - a. May occur not more than once a year, unless the parents and Excelsior Academy agree otherwise; and
 - b. Must occur at least once every three years, unless the parents and Excelsior Academy agree that a reevaluation is unnecessary as there are data available to continue eligibility and determine the educational needs of the student. When the parents and ACADEMY agree that a reevaluation is unnecessary, the group must document data reviewed and used in an evaluation report and complete an eligibility determination.

II.H. ADDITIONAL REQUIREMENTS FOR INITIAL EVALUATIONS AND REEVALUATION PROCEDURES (34 CFR § 300.305; RULES II.H.)

1. As part of any initial evaluation (if appropriate) and as part of any reevaluation, the IEP Team and other qualified professionals, as appropriate, must:
 - a. Review existing evaluation data on the student, including:
 - (1) Evaluations and information provided by the parent(s) of the student;
 - (2) Current classroom-based, local, or State assessments, and classroom-based observations both formal and informal; and
 - (3) Observations by teachers and related services providers; and
 - b. On the basis of that review, and input from the student's parent(s), identify what additional data, if any, are needed to determine:
 - (1) Whether the student is a student with a disability and the educational needs of the student; or, in the case of a reevaluation of a student, whether the student continues to have such a disability, and the educational needs of the student;
 - (2) The present levels of academic achievement and related developmental needs of the student;
 - (3) Whether the student needs special education and related services; or, in the case of a reevaluation of a student, whether the student continues to need special education and related services; and
 - (4) Whether any additions or modifications to the special education and related services are needed to enable the student to meet the measurable annual goals set out in the IEP of the student and to participate, as appropriate, in the general education curriculum.
2. The IEP Team and other qualified professionals, as appropriate, may conduct its review of existing data without a meeting.
3. Excelsior Academy must administer such assessments and other evaluation measures as may be needed to produce the data needed to determine continuing eligibility.
4. If the IEP Team and other qualified professionals, as appropriate, determine that no additional data are needed to determine whether the student continues to be a student with a disability and to determine the student's educational needs, the ACADEMY must notify the student's parent(s) of:
 - a. That determination and the reasons for the determination; and
 - b. The right of the parent(s) to request an assessment to determine whether the student continues to be a student with a disability, and to determine the student's educational needs.
5. Excelsior Academy is not required to conduct the assessment for reevaluation described in Rules II.H.4.b unless requested to do so by the student's parent(s) .
6. Evaluations before change in eligibility.

- a. Excelsior Academy must evaluate a student with a disability before determining that the student is no longer a student with a disability.

II.1. DETERMINATION OF ELIGIBILITY (34 CFR § 300.306; RULES II.1.)

1. Upon completion of the administration of assessments and other evaluation measures, a group of qualified professionals and the parents of the student determine eligibility under Part B of the IDEA and the Rules, including:
 - a. Whether that student is a student with a disability, and
 - b. The educational needs of the student.
2. Excelsior Academy shall provide the parents with a copy of the evaluation report and the documentation of determination of eligibility.
3. A student must not be determined to be a student with a disability:
 - a. If the determinant factor for that determination is:
 - (1) Lack of appropriate instruction in the science of reading, including the essential components of reading instruction (explicit and systematic instruction in phonemic awareness, phonics, vocabulary development, reading fluency including oral reading skills, and reading comprehension strategies) (20 USC 6368(3));
 - (2) Lack of appropriate instruction in mathematics; or
 - (3) Limited English proficiency; and
 - b. If the student does not otherwise meet the eligibility criteria.
4. Procedures for determining eligibility and educational need.
 - a. In interpreting evaluation data for the purpose of determining if a student is a student with a disability and the educational needs of the student, Excelsior Academy must:
 - (1) Draw upon information from a variety of sources, such as aptitude and achievement tests, parent input, teacher recommendations, physical condition, social or cultural background, and adaptive behavior; and
 - (2) Ensure that information obtained from all of these sources is documented and carefully considered.
 - b. If a determination is made that a student has a disability and needs special education and related services, an IEP must be developed for the student within 30 calendar days.

II.J. CATEGORICAL DEFINITIONS, CRITERIA, AND ASSESSMENTS (34 CFR § 300.8; 34 CFR § 300.304 34 CFR § 300.306; RULES II.J.)

1. Excelsior Academy has adopted the criteria and evaluation procedures, by category, for determining eligibility for a student with disabilities under Part B of the IDEA and the Rules II.J.1-13. Including: Specific Learning Disabilities (Rules II.J.11.).
 - a. Definition (34 CFR § 300.8(C)(10)); Rules II.J.11.a.
 - (1) *Specific Learning disabilities* means a disorder in one or more of the basic psychological processes involved in understanding or in using language, spoken or written, that may manifest itself in the imperfect ability to listen, think, speak, read, write, spell, or do mathematical calculations, including conditions such as perceptual disabilities, brain injury, minimal brain dysfunction, dyslexia, and developmental aphasia, that affects a student's educational performance.
 - (2) *Specific Learning disabilities* does not include learning problems that are primarily the result of visual, hearing, or motor disabilities; of intellectual disability; of emotional behavioral disability; or of environmental, cultural, or economic disadvantage.
 - b. Procedures for Identifying Students with Specific Learning Disabilities (34 CFR § 300.307; Rules II.J.11.b).
 - (1) Excelsior Academy has adopted the following method for determining a student's eligibility under the specific learning disability category. The Academy may use one of the following methods for determining a student's eligibility under the specific learning disability category:
 - (a) Response to Intervention:
 - (i) A process based on the student's response to scientific, research-based intervention called the Response to Intervention (RtI) method which shows the student does not make sufficient progress to meet age or State-approved grade-level standards in one or more of the areas identified in Rules II.J.10.b.(3)(a) (the group must refer to the USBE Specific Learning Disability Eligibility Guidelines when using this method),
 - (2) Additional group members (34 CFR § 300.308; Rules II.J.11.b.(2)).
 - (a) The determination of whether a student suspected of having a specific Learning disability is a student with a disability must be made by the student's parent(s) and a group of qualified professionals, which must include:
 - (b) The student's regular teacher; or
 - (c) If the student does not have a regular teacher, a regular classroom teacher qualified to teach a student of the student's age; or

- (d) At least one person qualified to conduct individual diagnostic examinations of students and interpret the results of those assessments (as per the publisher's assessment administration criteria), such as a school psychologist, speech language pathologist, reading teacher or reading specialist, or special education teacher.
- (3) Determining the existence of a specific learning disability (34 CFR § 300.309; Rules II.J.11.b.(3)).
 - (a) The group described may determine that a student has a specific learning disability if:
 - (b) The student does not achieve adequately for the student's age or to meet State-approved grade-level standards in one or more of the following areas, when provided with learning experiences and instruction appropriate for the student's age or State-approved grade-level standards:
 - (i) Oral expression;
 - (ii) Listening comprehension;
 - (iii) Written expression;
 - (iv) Basic reading skills;
 - (v) Reading fluency skills;
 - (vi) Reading comprehension;
 - (vii) Mathematics calculation;
 - (viii) Mathematics problem solving.
 - (c) The group determines that its findings are not primarily the result of:
 - (i) A visual, hearing, or motor disability;
 - (ii) Intellectual disability;
 - (iii) Emotional-behavioral disability;
 - (iv) Cultural factors;
 - (v) Environmental or economic disadvantage; or
 - (vi) Limited English proficiency.
- (4) The specific learning disability must adversely affect the student's educational performance.
- (5) The student with the specific learning disability must need special education and related services (34 CFR § 300.8(a); Rules II.J.11.b.(5)).
- (6) The group must determine that the specific learning disability is the student's primary disability.
- c. Evaluation (34 CFR § 300.309(b)–(c); Rules II.J.11.c).
 - (1) An evaluation must include a variety of assessment tools and strategies and cannot rely on any single procedure as the sole criterion.

- (2) To ensure that underachievement in a student suspected of having a specific learning disability is not due to lack of appropriate instruction in reading or math, the group must consider, as part of the evaluation:
 - (a) Data that demonstrate that prior to, or as a part of, the referral process, the student was provided appropriate instruction in regular education settings, delivered by qualified personnel; and
 - (b) Data-based documentation of repeated assessments of achievement at reasonable intervals, reflecting formal assessment of student progress during instruction, which was provided to the student's parent(s) .
- (3) Excelsior Academy must promptly request parental consent to evaluate the student to determine if the student needs special education and related services, and must adhere to the 45-school-day evaluation timeframe, unless extended by mutual written agreement of the student's parent(s) and a group of qualified professionals:
 - (a) If, prior to a referral, a student has not made adequate progress after an appropriate period of time as determined by Excelsior Academy when provided appropriate instruction, and
 - (b) Whenever a student is referred for an evaluation.
- (4) Observation (34 CFR § 300.310(a)–(c); Rules II.J.11.b.(4)).
 - (a) Excelsior Academy must ensure that the student is observed in the student's learning environment (including the regular classroom setting) to document the student's academic performance and behavior in the areas of concern.
 - (b) The group must decide to:
 - (i) Use information from an observation in routine classroom instruction and monitoring of the student's performance that was done before the student was referred for an evaluation; or
 - (ii) Have at least one member of the group conduct an observation of the student's academic performance in the regular classroom after the student has been referred for an evaluation and parental consent or consent of the student who is an adult is obtained.
 - (c) If the student is a home-schooled student, Excelsior Academy may determine how to conduct the observation and who will conduct it.
- (5) Specific documentation for the eligibility determination (34 CFR § 300.311; Rules II.J.11.b.(5)). The group's documentation of the determination of eligibility with a specific learning disability must contain a statement of:
 - (a) Whether the student has a specific learning disability;
 - (b) The basis for making the determination, including an assurance that the determination has been made in accordance with Rules II.I.;

- (c) The relevant behavior, if any, noted during the observation of the student and the relationship of that behavior to the student's academic functioning;
- (d) The educationally relevant medical findings, if any; and
- (e) Whether the student meets the criteria below.
- (f) Rtl. Does not make sufficient progress to meet State-approved age- or grade-level standards when using a process based on the student's response to scientific evidence-based interventions
 - (i) Excelsior Academy has a process that assesses a student's response to scientific, research-based intervention as part of determining if the student has a specific learning disability. This process must include:
 - (ii) High quality research-based instruction delivered by qualified staff in the general education setting; and
 - (iii) Assessment of student performance that specifically includes universal screening and progress-monitoring; and
 - (iv) Multiple tiers of evidence-based interventions to address individual student difficulties; and
 - (v) Documentation of systematic and regular parent, student who is an adult, and/or family involvement and communication as well as notification about:
 - (A) The State's policies regarding the amount and nature of student performance data that would be collected and the general education services that would be provided (the group must refer to the USBE Specific Learning Disability Eligibility Guidelines when using this method);
 - (B) Strategies for increasing the student's rate of learning; and
 - (C) The parent(s)' or the student's, who is an adult, right to request an evaluation; and
 - (vi) System supports (e.g., Leadership, problem-solving, data management systems, coaching and collaboration, professional learning, and measures of fidelity) in place to ensure effective implementation; or
 - (vii) The instructional strategies used and the student-centered data collected.
- (6) The determination of the group concerning the effects of a visual, hearing, or motor disability; intellectual disability; emotional- behavioral disability; cultural factors; environmental or economic disadvantage; or limited English proficiency on the student's achievement level;
- (7) The requirements of Rules II.D.–H. must be met.

- (8) Each group member must certify in writing whether the report reflects the member's conclusion (§ 300.311(b)). If it does not reflect the member's conclusion, the group member must submit a separate statement presenting the member's conclusions.

III. IEP DEVELOPMENT AND SERVICE DELIVERY

III.A. INDIVIDUALIZED EDUCATION PROGRAM (IEP) (RULES III.A.)

1. Excelsior Academy implements the following IEP requirements, including the Least Restrictive Environment (LRE) requirements, consistent with Part B of the IDEA and the Rules, as well as R277-750, R277-800, and R277-801.

III.C. STUDENTS WHO TRANSFER (34 CFR § 300.323; RULES III.C.)

1. Transfers within Utah.
 - a. In the case of a student with a disability with a current IEP who transfers from one ACADEMY to another within the State within the same school year and enrolls in a new school, Excelsior Academy, in consultation with the parent(s), must provide a FAPE to the student, including services comparable to those described in the previously held IEP, until such time as Excelsior Academy:
 - (1) Adopts the previously held IEP, or

- (2) Develops, adopts, and implements a new IEP that is consistent with Federal regulations and the Rules.
- b. The requirements of 34 CFR § 300.323 also apply for students transferring from an ACADEMY placement to a local juvenile or adult correctional facility or temporary State placement for observation and assessment.
2. Transfers from out of State.
 - a. In the case of a student with a disability with a current IEP who transfers ACADEMYs within the same school year, who enrolls in a new school, and who has an IEP that was in effect in another State, Excelsior Academy, in consultation with the parent(s) , must provide the student with a FAPE, including services comparable to those described in the previously held IEP, until Excelsior Academy:
 - (1) Conducts an evaluation, if determined to be necessary by Excelsior Academy; and
 - (2) Develops a new IEP, if appropriate, that is consistent with Federal and State law.
 - b. The evaluation for eligibility that may be conducted by Excelsior Academy is considered an initial evaluation, not a reevaluation (71 Federal Register 4668- 82).
3. To facilitate the transition for a student described above:
 - a. Excelsior Academy must take reasonable steps to promptly obtain the student's records, including the IEP and supporting documents and any other records relating to the provision of special education or related services to the student, from the previous ACADEMY in which the student was enrolled; and
 - b. The previous ACADEMY in which the student was enrolled must take reasonable steps to promptly respond to the request from Excelsior Academy.
 - c. The ACADEMY transferring the records must keep a copy of the records for at least three years after the transfer as outlined in Rule VIII.S.
4. Experiencing difficulty in obtaining the IEP from the previous ACADEMY does not relieve the ACADEMY where the student is currently enrolled of its obligation to have a current IEP in place for a student who is eligible.

III.D. ACADEMY RESPONSIBILITY FOR IEP MEETINGS (34 CFR § 300.323(C)(1); RULES III.D.)

1. Excelsior Academy is responsible for initiating and conducting meetings for the purpose of developing, reviewing, and revising the IEP of a student with a disability age 3 through 21, consistent with the Rules.
2. A meeting to develop an IEP for a student who is eligible must be conducted within 30 calendar days of a determination that a student needs special education and related services.

III.E. IEP TEAM MEMBERSHIP (34 CFR § 300.321; RULES III.E.)

1. Excelsior Academy must ensure that the IEP Team for each student with a disability includes:

 - f. An individual who can interpret the instructional implications of evaluation results, who may be a member of the team described in this section of the Rules;
 - g. At the discretion of the parent or the Academy, other individuals who have knowledge or special expertise regarding the student, including related services personnel as appropriate; and

 - j. If a purpose of the IEP Team meeting is consideration of the postsecondary goals for the student and the postsecondary transition services needed to assist the student in reaching those goals, the ACADEMY must invite the student with a disability to attend the student's IEP meeting. If the student does not attend the IEP meeting, Excelsior Academy must take other steps to ensure that the student's preferences and interests are considered.

III.F. IEP TEAM ATTENDANCE (34 CFR § 300.321; RULES III.F.)

1. A required member of the IEP Team is not required to attend a particular IEP Team meeting, in whole or in part, if the parents of a student with a disability and the Academy agree, in writing, that the attendance of the member is not necessary because the member's area of the curriculum or related services is not being modified or discussed in the meeting.
2. A required member of the IEP Team may be excused from attending an IEP meeting, in whole or in part, when the meeting involves a modification to or discussion of the member's area of the curriculum or related services, if:

III.G. PARENT PARTICIPATION (34 CFR § 300.322; RULES III.G.)

1. Excelsior Academy must take steps to ensure that one or both of the parents of a student with a disability are present at each IEP meeting or are afforded the opportunity to participate, including:
 - a. Notifying parents of the meeting early enough to ensure that they will have an opportunity to attend; and
 - b. Scheduling the meeting at a mutually agreed-on time and place.
2. If the parents cannot attend, Excelsior Academy must use other methods to ensure participation of the parents including individual or conference telephone calls. The parents of a student with a disability and Excelsior Academy may agree to use alternative means of meeting participation, such as video conferences and conference calls (34 CFR § 300.328).
3. A meeting may be conducted without a parent in attendance if Excelsior Academy is unable to convince the parent(s) that they should attend. In this case, Excelsior Academy must keep a record of its attempts to arrange a mutually agreed-on time and place, such as:

 - a. Under UCA 35A-13-604, an individual is required to be certified as an interpreter if that individual provides interpreter services for deaf and hard of hearing individuals.
 - b. An individual providing interpreting services other than those for deaf and hard of hearing individuals shall be trained.
5. The parent(s) of a student with a disability are participants along with school personnel in developing, reviewing, and revising the IEP for their student. This is an active role in which the parent(s):

2. For a student with a disability, ages 14 and older, or younger if determined appropriate by the IEP Team, the IEP notice of meeting also must:
 - a. Indicate that a purpose of the meeting will be the consideration of the postsecondary goals and postsecondary transition services for the student; and
 - b. Indicate that Excelsior Academy will invite the student; and
 - c. Identify any other agency that will be invited, with parental consent, to send a representative.

3. When conducting IEP Team meetings and placement meetings and carrying out administrative matters, the parent(s) of a student with a disability and Excelsior Academy may agree to use alternative means of meeting participation such as video conferences and conference calls (34 CFR § 300.328).

III.I. DEVELOPMENT, REVIEW, AND REVISION OF THE IEP (34 CFR § 300.324; RULES III.I.)

1. Development, review, and revision of the IEP.
 - a. In developing each student's IEP, the IEP Team must consider:
 - (1) The strengths of the student;
 - (2) The concerns of the parent(s) for enhancing the education of the student;
 - (3) The results of the initial or most recent evaluation of the student, and
 - (4) The academic, developmental, and functional needs of the student.
 - b. The IEP Team, in conducting a meeting to develop, review and, if appropriate, revise a student's IEP, must consider the following special factors:
 - (1) In the case of a student with limited English proficiency (LEP), consider the language needs of the student as those needs relate to the student's IEP;
 - (2) In the case of a student who is blind or visually impaired, provide for instruction in braille and the use of braille unless the IEP Team determines, after an evaluation of the student's reading and writing skills, needs, and appropriate reading and writing media (including an evaluation of the student's future needs for instruction in braille or the use of braille), that instruction in braille or the use of braille is not appropriate for the student;
 - (a) Prior to determining whether a student who is blind should use braille as the primary reading mode, the student's IEP Team must be provided (through pertinent literature or discussions with competent braille users and educators, or both) with detailed information about the use and efficiency of braille as a reading medium, in order to make an informed choice as to the student's primary reading.
 - (3) Consider the communication needs of the student and, in the case of a student who is deaf or hard of hearing, consider the student's language and communication needs, opportunities for direct communication with peers and professional personnel in the student's language and communication mode, academic level, and full range of needs, including opportunities for direct instruction in the student's language and communication mode;
 - (4) Consider whether the student needs assistive technology devices and services in school and on a case-by-case basis, in a student's home or other setting; and

- (5) In the case of a student whose behavior impedes the student's learning or that of others, consider the use of positive behavior interventions and supports, and other strategies (e.g., conduct an functional behavior assessment, develop a behavior intervention plan), to address that behavior.
 - (a) When making decisions on behavior interventions, the IEP Team must refer to the USBE Technical Assistance (TA) manual that outlines the Least Restrictive Behavior Interventions (LRBI) for information on research-based intervention procedures.
 - (i) Emergency safety interventions may only be included in an IEP as a planned intervention when the IEP Team agrees that less restrictive means which meet circumstances in R277-608 have been attempted, an FBA has been conducted, and a BIP based on data analysis has been developed and implemented (R277-609).
 - (b) The purpose of the LRBI related to the use of positive behavior supports and behavior interventions in schools is to:
 - (i) Protect the safety and well-being of all students;
 - (ii) Provide protection for students, teachers, other school personnel, and ACADEMYs; and
 - (iii) Ensure that parent(s) or students who is an adult are involved in the consideration and selection of behavior interventions to be used.
 - (c) When an emergency situation occurs that requires the immediate use of an emergency safety intervention to protect the student or others from harm, the staff shall comply with requirements in R277-609 with regards to time limitations and parental notification.
 - (d) As appropriate, the student should receive an FBA and behavior intervention services and modifications that are designed to address the behavior (34 CFR § 300.530(d)(1)(ii)).
- c. If, in considering the special factors described above, the IEP Team determines that a student needs a particular device or services for educational purposes (including an intervention, accommodation, or other program modification) in order for the student to receive a FAPE, the IEP Team must include a statement to that effect in the student's IEP.
- d. A regular education teacher of a student with a disability, as a member of the IEP Team, must, to the extent appropriate, participate in the development of the IEP of the student, including the determination of:
 - (1) Appropriate positive behavior interventions and supports and other strategies for the student; and
 - (2) Supplementary aids and services, program modifications, and support for school personnel consistent with the IEP.

2. Changes to the IEP.
 - a. In making changes to a student's IEP after the annual IEP Team meeting for a school year, the parent(s) of a student with a disability and Excelsior Academy may agree not to convene an IEP meeting for the purposes of making those changes, and instead may develop a written document to amend or modify the student's current IEP.
 - (1) The ACADEMY shall convene a meeting with the IEP Team regarding material or substantial changes to the IEP (e.g., the amount of service time, change in placement, termination of services).
 - b. Upon request, the parent(s) must be provided with a revised copy of the IEP with the amendments incorporated.
 - c. If changes are made to the student's IEP through the amendment process, Excelsior Academy must ensure that the student's IEP Team is informed of those changes.
3. To the extent possible, Excelsior Academy must encourage the consolidation of reevaluation meetings and other IEP Team meetings for the student (34 CFR § 300.324(a)(5)).
4. Review and revision of the IEP.
 - a. Excelsior Academy must ensure that the IEP Team:
 - (1) Reviews the student's IEP periodically, but not less than annually, to determine whether the annual goals for the student are being achieved; and
 - (2) Revises the IEP, as appropriate, to address:
 - (a) Any lack of expected progress toward the annual goals in the IEP and in the general education curriculum, if appropriate;
 - (b) The results of any reevaluation;
 - (c) Information about the student provided to, or by, the parent(s) ;
 - (d) The student's anticipated needs; or
 - (e) Other matters.
 - (3) In conducting a review of the student's IEP, the IEP Team must consider the special factors in the Rules III.I.1.b.

III.J. DEFINITION OF THE INDIVIDUALIZED EDUCATION PROGRAM (IEP) (34 CFR § 300.320; RULES III.J.)

1. The term *individualized education program* (IEP) means a written statement for each student with a disability that is developed, reviewed, and revised in a meeting. The IEP is designed to meet the student's unique needs based on their disability, and prepare them for further education, employment, and independent living.
2. The IEP must include:
 - a. A statement of the student's present levels of academic achievement and functional performance (PLAAPF), including:

 - (2) Meet each of the student's other educational needs that result from the student's disability;

 - (2) A description of benchmarks or short-term objectives for each annual goal;
 - e. A description of:

- (1) How the student's progress toward meeting the annual IEP goals will be measured; and
 - (2) When periodic reports to the parent(s) on the progress the student is making toward meeting the annual IEP goals (such as through the use of quarterly or other periodic reports, concurrent with the issuance of report cards) will be provided;
- f. A statement of the special education and related services and supplementary aids and services (including assistive technology), based on peer-reviewed research to the extent practicable, to be provided to the student, or on behalf of the student, and a statement of the program modifications or supports for school personnel that will be provided to enable the student:

- h. A statement of:
- (1) Any individual appropriate accommodations that are necessary to measure the academic achievement and functional performance of the student on all grade-level State- and ACADEMY-wide assessments; and
 - (2) If the IEP Team determines that the student must take an alternate assessment instead of a particular regular State- or ACADEMY-wide assessment of student achievement, a statement of why:
 - (a) The student cannot participate in the regular assessment; and
 - (b) The particular alternate assessment selected is appropriate for the student; and
 - (c) All students, including students with disabilities, participate in statewide assessments. Excelsior Academy reports the results of statewide assessments on the website. If more than one percent of students with significant cognitive disabilities participate in an alternate assessment, Excelsior Academy will submit justification to the USBE on the need to exceed the cap.
- i. The projected date for the beginning of the services and modifications, and the anticipated frequency, location, and duration of those services and modifications.
- j. A statement of school to post-school transition services.

- (1) For a student with a disability, ages 14 and older, or younger if determined appropriate by the IEP Team, and updated annually thereafter, the IEP must include:

 - h. If a hearing officer requests an IEE as part of a due process hearing, the cost of the evaluation must be at public expense.
 - i. If an IEE is at public expense, the criteria under which the evaluation is obtained, including the location of the evaluation and the qualifications of the examiner, must be the same as the criteria that Excelsior Academy uses when it initiates an evaluation, to the extent those criteria are consistent with the parent's right to an IEE.

 - b. Excelsior Academy may not charge a fee to search for or to retrieve information under Part B of the IDEA.
7. Consent for disclosure of PII (34 CFR § 300.622).
 - a. Except as to disclosures addressed in referral to and action by law enforcement and judicial authorities, for which parental consent is not required by 34 CFR § 99, parental consent must be obtained before PII is:
 - (1) Disclosed to anyone other than officials of participating agencies collecting or using the information under Part B of the IDEA or the Rules: or
 - (2) Used for any purpose other than meeting a requirement of Part B of the IDEA or the Rules.
 - b. Excelsior Academy may not release information from education records to participating agencies without parental consent unless authorized to do so by 34 CFR §§ 99.31 and 99.34 (FERPA):
 - (1) 34 CFR § 99.31 allows Excelsior Academy to disclose PII from the education records of a student without the written consent of the parent(s) of the student, if the disclosure is:

Note: As authorized in 34 CFR § 99.31 (FERPA), Excelsior Academy includes in the annual procedural safeguards notice that it is their policy to forward educational records of a student with disabilities without parental consent or notice to officials of another school or school district in which a student seeks or intends to enroll.

However, a permanent record of a student's name, address, phone number, the student's grades, attendance record, classes attended, grade level completed, and year completed may be maintained without time limitation.
- c. Each student's records may be considered "no longer needed to provide educational services" and may be destroyed three years after the student graduates or three years after the student turns 22 under IDEA. Medicaid requires that records be maintained for at least five years after the provision of services.

V. DISCIPLINE PROCEDURES (34 CFR § 300.530)

V.A. DISCIPLINE PROCEDURES FOR STUDENTS WITH DISABILITIES (RULES V.A.)

1. Consistent with the requirements of Part B of the IDEA and the Rules, Excelsior Academy shall establish, maintain, and implement policies and procedures for disciplining students with disabilities.

V.B. AUTHORITY OF SCHOOL PERSONNEL (34 CFR § 300.530(A–C); RULES V.B.)

1. School personnel may consider any unique circumstances on a case-by-case basis when determining whether a change in placement, consistent with the other requirements of this section, is appropriate for a student with a disability who violates a code of student conduct.
2. School personnel may remove a student with a disability who violates a code of student conduct from the student's current placement to an appropriate interim alternative educational setting (IAES), another setting, or suspension, for not more than ten consecutive school days (to the same extent those alternatives are applied to students without disabilities), and for additional removals of not more than ten consecutive school days in that same school year for separate incidents of misconduct, (as long as those removals do not constitute a change of placement because of disciplinary removal as set forth in 34 CFR § 300.536 and Rules V.D.).
3. After a student with a disability has been removed from the student's current placement for ten school days in the same school year, during any subsequent days of removal Excelsior Academy must provide services to the extent required under 34 CFR § 300.530(d) and Rules V.C.
4. For disciplinary changes in placement that would exceed ten consecutive school days, if the behavior that gave rise to the violation of the school code is determined not to be a manifestation of the student's disability, school personnel may apply the relevant disciplinary procedures to students with disabilities in the same manner and for the same duration as the procedures would be applied to students without disabilities, except after the tenth day of removal that constitutes a change in placement, Excelsior Academy must provide services to the student as outlined in Rule V.C.

V.C. SERVICES (34 CFR § 300.530(D); RULES V.C.)

1. A student with a disability who is removed from the student's current placement must:

- a. Continue to receive educational services so as to enable the student to continue to participate in the general education curriculum, although in another setting, and to progress toward meeting the goals set out in the student's IEP; and
 - b. Receive, as appropriate, an FBA, and behavior intervention services and modifications that are designed to address the behavior violation so that it does not recur.
2. The services may be provided in an IAES.
 3. Excelsior Academy is only required to provide services during periods of removal to a student with a disability who has been removed from the student's current placement for ten school days or less in that school year if it also provides services to a student without disabilities who is similarly removed.
 4. After a student with a disability has been removed from the student's current placement for ten school days in the same school year, if the current removal is for not more than ten consecutive school days and is not a change of placement under 34 CFR § 300.536 and Rules V.D., school personnel, in consultation with at least one of the student's teachers, determine the extent to which services are needed, so as to enable the student to continue to participate in the general education curriculum, although in another setting, and to progress toward meeting the goals set out in the student's IEP.
 5. If the removal is a change of placement, the student's IEP Team determines appropriate services to be provided during the removal.

V.D. CHANGE OF PLACEMENT DUE TO DISCIPLINARY REMOVALS (34 CFR § 300.536; RULES V.D.)

1. For purposes of removals of a student with a disability from the student's current educational placement, a change of placement occurs if:
 - a. The removal is for more than ten consecutive school days, including shortened school days; or
 - b. The student has been subjected to a series of removals that constitute a pattern, including shortened school days:
 - (1) Because the series of removals total more than ten school days in a school year;
 - (2) Because the student's behavior is substantially similar to the student's behavior in previous incidents that resulted in the series of removals; and
 - (3) Because of such additional factors as the length of each removal, the total amount of time the student has been removed, and the proximity of the removals to one another.
2. As used in the Rules, shortened school days occur when a student's school day is reduced solely by school personnel in response to the student's behavior for

disciplinary purposes, rather than the student's IEP team or placement team for that student to receive a FAPE.

- a. In general, the use of informal removals to address a student's behavior, if implemented repeatedly throughout the school year, could constitute a disciplinary removal from the current placement. Therefore, the discipline procedures in 34 C.F.R. §§ 300.530 through 300.536 and Rules V. would generally apply unless all three of the following factors are met:
 - (1) The student is afforded the opportunity to continue to appropriately participate in the general curriculum;
 - (2) The student continues to receive the services specified on the student's IEP; and
 - (3) The student continues to participate with nondisabled children to the extent they would have in their current placement. 71 Fed. Reg. 46715 (Aug. 14, 2006).
3. Excelsior Academy determines on a case-by-case basis whether a pattern of removals constitutes a change of placement. This determination is subject to review through due process and judicial proceedings.

V.E. MANIFESTATION OF DETERMINATION (34 CFR § 300.530(E-G, I); RULES V.E.)

1. Within ten school days of any decision to change the placement of a student with a disability because of a violation of a code of student conduct, the Academy, the parent, and relevant members of the student's IEP Team (as determined by the parent and the Academy) must review all relevant information in the student's file, including the student's IEP, any teacher observations, and any relevant information provided by the parent(s) to determine:
 - a. If the conduct in question was caused by, or had a direct and substantial relationship to, the student's disability; or
 - b. If the conduct in question was the direct result of Excelsior Academy's failure to implement the IEP.
2. The conduct must be determined to be a manifestation of the student's disability if the Academy, the parent, and relevant members of the student's IEP Team determine that:
 - a. The misconduct was caused by or had a direct and substantial relationship to the student's disability; or
 - b. The misconduct was the direct result of Excelsior Academy's failure to implement the IEP.
3. If the Academy, the parent, and relevant members of the student's IEP Team determine that the misconduct was the direct result of the Excelsior Academy's failure

to implement the IEP, Excelsior Academy must take immediate steps to remedy those deficiencies.

4. If the Academy, the parent(s) , and relevant members of the IEP Team make the determination that the conduct was a manifestation of the student’s disability, the IEP Team must:
 - a. Either:
 - (1) Conduct a functional behavior assessment (FBA), unless Excelsior Academy had conducted a FBA before the behavior that resulted in the change of placement occurred, and implement a BIP for the student; or
 - (2) If a BIP has already been developed, review the BIP, and modify it, as necessary, to address the behavior;
 - b. And, unless the misconduct falls under the definition of special circumstances in Rules V.E.5., return the student to the placement from which the student was removed, unless the parent and the Academy agree to a change of placement as part of the modification of the BIP.
5. Special circumstances.
 - a. School personnel may remove a student to an IAES for not more than 45 school days without regard to whether the behavior is determined to be a manifestation of the student’s disability, if the student:
 - (1) Carries a weapon to or possesses a weapon at school, on school premises, or to or at a school function under the jurisdiction of the Excelsior Academy;
 - (2) Knowingly possesses or uses illegal drugs, or sells or solicits the sale of a controlled substance, while at school, on school premises, or at a school function under the jurisdiction Excelsior Academy;
 - (3) Has inflicted serious bodily injury upon another person while at school, on school premises, or at a school function under the jurisdiction of Excelsior Academy.
 - b. Definitions.
 - (1) For purposes of this section, the following definitions apply:
 - (a) *Controlled substance* means a drug or other substance that cannot be distributed without a prescription, identified under schedules I, II, III, IV, or V in section 202(c) of the Controlled Substances Act (21 USC § 812(c)).
 - (b) *Illegal drug* means a controlled substance but does not include a drug controlled, possessed, or used under the supervision of a licensed health- care professional or one legally possessed or used under the Controlled Substances Act or under any other provision of Federal law (21 USC § 812).

organ, or mental faculty (18 USC § 1365). Serious bodily injury does not include a cut, abrasion, bruise, burn, disfigurement, physical pain, illness, or impairment of the function of a bodily member, organ or mental faculty that is temporary (18 USC § 1365).

- (d) *Weapon* means a weapon, device, instrument, material, or substance, animate or inanimate, that is used for or is readily capable of, causing death or serious bodily injury, except that such term does not include a pocket knife with a blade of less than 2.5 inches (18 USC § 930).

V.F. PROCEDURAL SAFEGUARDS NOTICE (34 CFR § 300.530(H); RULES V.F.)

1. On the date on which the decision is made to make a removal that constitutes a change of placement of a student with a disability because of a violation of a code of student conduct, Excelsior Academy must notify the parent(s) of that decision and provide the parent(s) the procedural safeguards notice.

V.G. DETERMINATION OF SETTING (34 CFR § 300.531; RULES V.G.)

1. The student's IEP Team determines the IAES for services if the behavior that gives rise to the removal is not a manifestation of the student's disability, the removal constitutes a change of placement, or the behavior falls under the special circumstances in Rules V.E.5.

V.H. APPEALS BY PARENT OR ACADEMY (34 CFR § 300.532; RULES V.H.)

1. The parent(s) of a student with a disability who disagrees with any decision regarding placement or the manifestation determination, or if Excelsior Academy believes that maintaining the current placement of the student is substantially likely to result in injury to the student or others, may appeal the decision by filing a due process hearing complaint and requesting a hearing.
2. Authority of hearing officer.
 - a. A due process hearing officer hears and makes a determination regarding an appeal under Rules V.H.1.
 - b. In making the determination, the hearing officer may:
 - (1) Return the student with a disability to the placement from which the student was removed if the hearing officer determines that the removal was a violation of the discipline procedures under Part B of the IDEA or the Rules or that the student's behavior was a manifestation of the student's disability; or
 - (2) Order a change of placement of the student with a disability to an appropriate IAES for not more than 45 school days if the hearing officer

- determines that maintaining the current placement of the student is substantially likely to result in injury to the student or to others.
- c. The appeal procedures may be repeated if Excelsior Academy believes that returning the student to the original placement is substantially likely to result in injury to the student or to others.
3. Expedited due process hearing.
 - a. Whenever a hearing is requested, the parent(s) or Excelsior Academy in the dispute must have an opportunity for an impartial due process hearing.
 - b. Excelsior Academy is responsible for arranging the expedited due process hearing with the State Director of Special Education, which must occur within 20 school days of the date the complaint requesting the hearing is filed. The hearing officer must make a determination within ten school days after the hearing.
 - c. Unless the parent(s) and Excelsior Academy agree in writing to waive the resolution meeting, or agree to use mediation:
 - (1) A resolution meeting must occur within seven calendar days of receiving notice of the due process complaint; and
 - (2) The due process hearing may proceed unless the matter has been resolved to the satisfaction of both parties within 15 calendar days of the receipt of the due process complaint.
 - d. Parties may not mutually agree to extend the resolution period to resolve an expedited due process complaint. Therefore, when the parties have participated in a resolution meeting or engaged in mediation and the dispute has not been resolved to the satisfaction of both parties within 15 days of the receipt of the due process complaint, the expedited due process hearing may proceed.
 - e. A hearing officer may not extend the timeline for making a determination in an expedited due process hearing.
 - f. The decisions on expedited due process hearings are final, unless meeting the requirements of 34 CFR § 300.514(b) or 34 CFR § 300.516.6.

V.I. PLACEMENT DURING APPEALS (34 CFR § 300.533; RULES V.I)

1. When an appeal through a due process complaint has been made by either the parent or Excelsior Academy, the student must remain in the IAES pending the decision of the hearing officer or until the expiration of the time period specified, whichever occurs first, unless the parent(s) and Excelsior Academy (or USBE if appropriate) agree otherwise.

 - (2) Has refused services under this part; or

4. If Excelsior Academy does not have knowledge that a student is a student with a disability prior to taking disciplinary measures against the student, the student may be subjected to the disciplinary measures applied to students without disabilities who engage in comparable behaviors.
 - a. If a request is made for an evaluation of a student during the time period in which the student is subjected to disciplinary measures, the evaluation must be conducted in an expedited manner.
 - (1) Until the evaluation is completed, the student remains in the educational placement determined by school authorities, which can include suspension or expulsion without educational services.

- (2) If the student is determined to be a student with a disability, taking into consideration information from the evaluation conducted by Excelsior Academy and information provided by the parent(s), Excelsior Academy must provide special education and related services.

V.K. REFERRAL TO AND ACTION BY LAW ENFORCEMENT AND JUDICIAL AUTHORITIES (34 CFR § 300.535; RULES V.K.)

1. Nothing in Part B of the IDEA prohibits Excelsior Academy from reporting a crime committed by a student with a disability to appropriate authorities or prevents State law enforcement and judicial authorities from exercising their responsibilities with regard to the application of Federal and State law to crimes committed by a student with a disability.
2. Transmittal of records.
 - a. If Excelsior Academy reports a crime committed by a student with a disability, it must ensure that copies of the special education and disciplinary records of the student are transmitted for consideration by the appropriate authorities to whom Excelsior Academy reports the crime.

VIII. ACADEMY ELIGIBILITY AND RESPONSIBILITIES

VIII.A. ACADEMY ELIGIBILITY FOR IDEA PART B FUNDS (34 CFR §§ 300.211–212, 220; RULES IX.A.)

1. Federal special education funding is made available through a grant to the state from the OSEP. These funds are restricted and may only be used to provide services and program for students who qualify under Part B of the IDEA. Funds are available for students who are 3–5 (section 619 Preschool) and for students age 3– 21 (section 611 School-Age). Some funds are retained at the state level for administration and for state level activities. The remaining funds are distributed to Utah Local Education Agencies (ACADEMYs) by formula.
2. Annually, the USBE staff shall notify Excelsior Academy of the availability of Federal funds under Part B of the IDEA. In order to receive IDEA Part B flow-through funds, Excelsior Academy must have in effect a USBE-approved special education program (Rules X.B.2.), including policies and procedures that are consistent with the Rules.
3. Excelsior Academy must have a USBE-approved special education program (UCA 53F-2- 307). Excelsior Academy's program is approved by the state board when Excelsior Academy's special education policies and procedures are approved by the USBE special education staff and then by Excelsior Academy's local board in a public meeting. The Academy must submit documentation of the local board's approval to the USBE special education staff.
4. The USBE approval of Excelsior Academy's policies and procedures includes the approval of any supporting documentation necessary to ensure their implementation. All required minimum components of Rules IX.A.4.a-e are addressed in this policies and procedures manual.
5. As part of establishing eligibility for Part B funds, Excelsior Academy must have revised policies and procedures in alignment with the IDEA 2004 final regulations and current rules within one year of the final Board approval of the Rules.
6. Policies and procedures submitted by Excelsior Academy in accordance with this section, and approved by the USBE staff, remain in effect until any of the following occur (34 CFR § 300.220):
 - a. Excelsior Academy submits modifications to the USBE staff that the USBE or Academy determines are necessary;
 - (1) The provisions of the Rules apply to any modifications in the Academy's policies and procedures in the same manner and to the same extent as the Academy's original policies and procedures.
 - b. The USBE staff gives Excelsior Academy notice of a new interpretation of the IDEA by Federal or State courts, or a change in Federal statute; or

- c. There is an official finding of noncompliance with Federal or State law or regulations that requires a change in Excelsior Academy's policy and procedures.
- 7. Excelsior Academy must have on file with the USBE staff information to demonstrate that it will make available to parents of students with disabilities and to the general public all documents relating to the eligibility of the Academy under Part B of the IDEA (34 CFR § 300.212).
- 8. Excelsior Academy creates annual improvement goals based on the State Performance Plan (SPP) and Annual Performance Report (APR) Indicators to improve outcomes for students with disabilities (Rules IX.A.4.d(2)(s)).

- 3. Use of amounts (34 CFR § 300.202).
 - a. Excelsior Academy must have on file with the USBE staff information to demonstrate that amounts provided to the Academy under Part B of the IDEA:
 - (1) Must be expended in accordance with the applicable provision of the Rules;
 - (2) Must be used only to pay the excess costs of providing special education and related services to students with disabilities consistent with the Rules; and
 - (3) Must be used to supplement State, local, and other Federal funds and not to supplant those funds.
- 4. The excess cost requirement prevents Excelsior Academy from using funds provided under Part B of the IDEA to pay for all the costs directly attributable to the education of a student with a disability.
- 5. Excelsior Academy meets the excess cost requirement if it has spent at least a minimum average amount for the education of its students with disabilities before funds under Part B of the IDEA are used.
- 6. Maintenance of effort (MOE) (34 CFR § 300.203).
 - a. Eligibility standard.

- (1) For purposes of establishing Excelsior Academy's eligibility for an award for a fiscal year, the USBE must determine that Excelsior Academy budgets for the education of students with disabilities for at least the same amount, from at least one of the following sources, as the Academy spent for that purpose from the same source for the most recent fiscal year for which information is available:
 - (a) Local funds only;
 - (b) The combination of State and local funds;
 - (c) Local funds only on a per capita basis; or
 - (d) The combination of State and local funds on a per capita basis.
 - (2) When determining the amount of funds that Excelsior Academy must budget to meet the requirement in the Rules IX.B.6.a.(1), Excelsior Academy may take into consideration, to the extent the information is available, the exceptions and adjustment provided in 34 CFR §§ 300.204 and 300.205 that Excelsior Academy:
 - (a) Took in the intervening year or years between the most recent fiscal year for which information is available and the fiscal year for which Excelsior Academy is budgeting; and
 - (b) Reasonably expects to take in the fiscal year for which Excelsior Academy is budgeting.
 - (3) Expenditures made from funds provided by the Federal government for which the USBE is required to account to the Federal government or for which Excelsior Academy is required to account to the Federal government directly or through the USBE may not be considered in determining whether Excelsior Academy meets the standard in Rules IX.B.6.a.(1).
- b. Compliance standard.
- (1) Except as provided in 34 CFR §§ 300.204 and 300.205, funds provided to Excelsior Academy under Part B of the IDEA must not be used to reduce the level of expenditures for the education of students with disabilities made by Excelsior Academy from local funds below the level of those expenditures for the preceding fiscal year.
 - (2) Excelsior Academy meets this standard if it does not reduce the level of expenditures for the education of students with disabilities made by Excelsior Academy from at least one of the following sources below the level of those expenditures from the same source for the preceding fiscal year, except as provided in 34 CFR §§ 300.204 and 300.205:

- (3) Expenditures made from funds provided by the Federal government for which the USBE is required to account to the Federal government or for which Excelsior Academy is required to account to the Federal government directly or through the USBE may not be considered in determining whether an ACADEMY meets the standard of Rules IX.B.6.b.(1) and IX.B.6.b.(2).
- c. Subsequent years.
- (1) If, in the fiscal year beginning on July 1, 2013 or July 1, 2014, Excelsior Academy fails to meet the requirements of 34 CFR § 300.203 in effect at that time, the level of expenditures required of Excelsior Academy for the fiscal year subsequent to the year of the failure is the amount that would have been required in the absence of that failure, not Excelsior Academy's reduced level of expenditures.
 - (2) If, in any fiscal year beginning on or after July 1, 2015, Excelsior Academy fails to meet the requirement of Rules IX.B.6.b.(2)(a) or IX.B.6.b.(2)(c) and Excelsior Academy is relying on local funds only, or local funds only on a per capita basis, to meet the requirements of Rules IX.B.6.a or IX.B.6.b, the level of expenditures required of Excelsior Academy for the fiscal year subsequent to the year of the failure is the amount that would have been required under Rules IX.B.6.b.(2)(a) or IX.B.6.b.(2)(c) in the absence of that failure, not Excelsior Academy's reduced level of expenditures.
 - (3) If, in any fiscal year beginning on or after July 1, 2015, Excelsior Academy fails to meet the requirement of Rules IX.B.6.b.(2)(b) or IX.B.6.b.(2)(d) and Excelsior Academy is relying on the combination of State and local funds, or the combination of State and local funds on a per capita basis, to meet the requirements of Rules IX.B.6.a or IX.B.6.b, the level of expenditures required of Excelsior Academy for the fiscal year subsequent to the year of the failure is the amount that would have been required under Rules IX.B.6.b.(2)(b) or IX.B.6.b.(2)(d) in the absence of that failure, not Excelsior Academy's reduced level of expenditures.
- d. Consequence of failure to maintain effort.
- (1) If Excelsior Academy fails to maintain its level of expenditures for the education of students with disabilities in accordance with Rules IX.B.6.b, the USBE is liable in a recovery action under section 452 of the GEPA (20 USC § 1234a) to return to the Department, using non-Federal funds, an amount equal to the amount by which Excelsior Academy failed to maintain its level of expenditures in accordance with Rules IX.B.6.b. in that fiscal year, or the amount of Excelsior Academy's Part B subgrant in that fiscal year, whichever is lower.
 - (2) If the USBE is required to return funds to the Department because of Excelsior Academy's failure to meet the Maintenance of Effort requirement,

the USBE shall reduce the amount provided to the Excelsior Academy's MSP Basic Program on a 1/12 basis.

7. Exception to maintenance of effort (34 CFR § 300.204).
 - a. Excelsior Academy may reduce the level of expenditures by Excelsior Academy under Part B of the IDEA below the level of those expenditures for the preceding fiscal year if the reduction is attributable to any of the following:
 - (1) The voluntary departure, by retirement or otherwise, or departure for just cause, of special education or related services personnel.
 - (2) A decrease in the enrollment of students with disabilities.
 - (3) The termination of the obligation of Excelsior Academy, consistent with this part, to provide a program of special education to a particular student with a disability that is an exceptionally costly program, as determined by the USBE staff, because the student:
 - (a) Has left the jurisdiction of Excelsior Academy; or
 - (b) No longer needs the program of special education.

 - a. For any fiscal year for which the allocation received by Excelsior Academy under Part B of the IDEA exceeds the amount Excelsior Academy received for the previous fiscal year, Excelsior Academy may reduce the level of expenditures otherwise required by maintenance of efforts requirements by not more than 50 percent of the amount of that excess.
 - b. Use of amounts to carry out activities under ESEA/ESSA.
 - (1) If Excelsior Academy exercises the authority to reduce the level of expenditures due to an increase in Part B funds, Excelsior Academy must use an amount of local funds equal to the reduction in expenditures to carry out activities that could be supported with funds under the ESEA/ESSA, regardless of whether Excelsior Academy is using funds under the ESEA/ESSA for those activities.
 - c. The USBE staff must prohibit Excelsior Academy from reducing the level of expenditures for a fiscal year, if the USBE staff determines that:
 - (1) Excelsior Academy is unable to establish and maintain programs of FAPE that meet the requirements of Part B of the IDEA, or
 - (2) The USBE staff has taken action against Excelsior Academy under Section 616 of the IDEA and subpart F of the regulations (Monitoring, Technical Assistance, and Enforcement).

- d. The amount of funds expended by Excelsior Academy for mandatory or voluntary Coordinated Early Intervening Services shall count toward the maximum amount of expenditures that Excelsior Academy may reduce under the requirements of this section.
9. If the USBE staff determines that Excelsior Academy is not meeting the requirements of Rules, the USBE staff may prohibit Excelsior Academy from treating funds received under Part B of the IDEA as local funds under this section for any fiscal year, but only if it is authorized to do so by the State constitution or State statute.
