

## Student Directory Opt Out

I acknowledge that I am being made aware of the following:

When completing section number 1 “Enrollment Information” there is a section labeled “Restricted Information” that is automatically included by the ASPIRE software. This section is not in compliance with Lakeview Academy’s approved opt out policy and therefore is not recognized during registration. Marking anything other than “no restrictions” in this field is not recorded.

In order to truly opt out of the Lakeview Academy Student Directory, **you must visit the front desk to sign the Student Directory Opt Out form.** By signing the form at the front desk your student will be opted out of the below bulleted items.

- A playbill, showing your student’s role in a drama production
- The annual yearbook
- Honor roll or other recognition lists
- Graduation programs
- Sports activity sheets
- Photograph for website and social media posts
- Telephone listings by grade level
- Electronic mail addresses
- Birthday recognition by the school or school activities
- A student ID number or other unique personal identifier that is displayed on a student ID badge
