

Excelsior Academy
School Land Trust Final Report 2022-2023

Funds spent: \$182,455.94

Goal: Excelsior Academy will improve our language arts program and increase our end-of-year RISE ELA scores. The goal will be completed by the end of the 2022-2023 school year.

Explain how academic performance was improved or not, and describe how the before and after measurement data supports the improvement.

EA increased ELA RISE scores by four percentage points. RISE scores in 2020-2021 were 40 percent student proficiency. RISE scores for 2022-2023 were 44 percent student proficiency.

Funding Changes: None
