

## CONSTITUTION LIVE

- It creates an overwhelming sense of gratitude in our hearts and minds for the founding ideals of our government.
- 2 It defines our individual responsibility to be educated on the rules by with we are governed.
- In less than 4500 words, it captures our curiosity, creates intelligent questions for us to consider and leaves us with a desire to learn more.
- It clearly demonstrated change was expected and rooted in the Constitutional design from the start with a sunset precedent and a promise for a Bill of Rights.
- It initiated common ground for productive conversations to begin in a spirit of unity, compromise and a desire for deeper understanding to serve the greater good of all people.
- 6 It defined the limits of government required to preserve the blessings of liberty for our children and our grandchildren.
