CELL PHONE & SMART WATCH POLICY ENFORCEMENT

In order to keep your student safe and focused at school, we will be enforcing our cellular phone/smart watch policy as outlined in our current student/parent handbook:

CELL PHONES/ELECTRONIC DEVICES

Cell phones and other electronic devices including earbuds and headphones will remain off and stored in student lockers. Staff members may confiscate a student's cell phone or device for violations. Cell phones and devices will be sent to the office and a parent/guardian will be contacted. A parent or guardian must pick up the confiscated cell phone or device in the office. Teachers may request the use of student cell phones or other electronic devices for educational use in the classroom by obtaining administrative approval. MMS assumes no responsibility for loss, damage or theft of cell phones or other electronic devices. Starting on Monday, March 11th, this will be enforced every school day during the hours of 7:00 AM to 4:00 PM. Please help your student follow this policy.
