Presidents Day

By: Valentine Castillo

Presidents day this year is February 19. Presidents day is a well known holiday in the U.S. that is celebrated to honor and celebrate George Washington, the first president, whose birthday is February 22nd. The holiday has been celebrated since a law passed in 1879 but Presidents day changes every year to be the 3rd Monday in February because of the Uniform Holiday Bill signed in 1968 which affects 3 holidays including Presidents day, Memorial day, and Columbus day and makes it so that they are on Mondays to prevent long weekends or so businesses and schools won't be closed in the middle of the week.

Valentine's Day

By: Julianna Quick

Valentine's Day is an annual holiday that appears on February 14. Traditionally, candy, flowers, and gifts are exchanged between loved ones. St. Valentine's Day was a feast in the Catholic religion and the day was made to celebrate martyred saints named Valentine. The feast day was removed from the Roman Catholic liturgical calendar in 1969. There are

different tellings of Saint Valentine, one of them being that he refused to convert to paganism and was executed by Roman Emperor Claudius II. Another, which is the one that made Saint Valentine affiliated with love, states that he was a Roman priest who performed weddings for soldiers that were forbidden to marry. This Saint Valentine wore a ring with a cupid on it, which symbolizes love, and that's how soldiers recognized him. Because of that legend Saint Valentine has become known as the patron saint of love.

Chinese new years celebration is celebrated everywhere where there is a Chinese population and is a very important cultural event.

Black history month is celebrated during the month of February. It is an important celebration that honors the achievements and contributions of black individuals throughout history. The U.S president Gerald Ford extended recognition to african americans in 1976. It is important to note that February was selected due to it being the birth month of Fredrick Douglass and

Abraham Lincoln, who helped abolish slavery. It is also the month that the 15th amendment was ratified giving men of color the right to vote.

Martin Luther King

Jr Day

By: Rafael Reyes

Martin Luther King Jr Day is January 15th this year. Martin Luther King Jr Day is a day to celebrate what Martin Luther King did for the black community across America. Martin Luther King was a political figure who fought for black rights in the form of speeches and protests during the 1960s.
