Parent Expectations

- **Support your student(s) in their learning** - attending school, being on time, being present in class, completing homework, meeting deadlines, etc.
- **Communicate w/ the school** - check in/check out your student from the main office & notify school of absences within 3 days, etc.
- **Grades & attendance are available through ASPIRE portal** -we expect you to be informed and know about your child's grades and attendance
- **Know that, if absence occurs it is the responsibility of student to do the work to get the missed material/information from other students or the teacher**
- *Progressive struggle helps to builds resilient adults*

Student Expectations

- Put in the work, effort, good attitude
- Respect & Kindness
- Be present. Attend class, follow school rules
- **DRESS CODE!** School is a more formal environment than a Friday night or Saturday afternoon. School dress code does not change based on fashion trends and styles

What NUAMES Graduates Say....

"I would have never wanted to become an engineer without attending NUAMES. NUAMES changed my life and set me up for a bright future"

"NUAMES has completely changed me to become a very strong person."

"You know you are in the right room, when a NUAMES graduate is in the room"

"The teachers have impacted my life in such a positive way – I truly am grateful for them and the support they provided to me during my educational experience at NUAMES"

"Being a student here at NUAMES was like being a part of a big family! The atmosphere was always filled with compassion and acceptance and this sense of, "You can do this!"

"The teachers, administration, counselors, and students always had my back! I had an incredible high school experience and I know everything that I learned here is going to benefit me for the rest of my life."

"The best part of my experience at NUAMES was being able to graduate with my Associate Degree while still in High School. This saved me so much money and time."

"NUAMES opened doors to many unique opportunities! My success would have been nearly impossible if not for the amazing support I got at NUAMES!"
