

The goals you identified as the school’s top priorities for the year are the basis for the measurement of the school executive and are all you need to complete the evaluation of the school’s executive. If the school’s goals are met (and the goals were good in the first place), then the executive has successfully performed, assuming that there were no significant violations of policy or regulation.

Sample

Goal: In the next year, increase student achievement in Math by 10 percent on state assessments over last year.

Priority	Meet state standards in math		
Focus	<input type="checkbox"/> Charter	<input checked="" type="checkbox"/> Authorizer	<input type="checkbox"/> Other:
Measurement Type	<input type="checkbox"/> Absolute	<input type="checkbox"/> Relative	<input checked="" type="checkbox"/> Growth
Measurement Tool(s)	NWEA assessment results by grade		
Measurement Timeframe	May of next school year		
Goal Met?	<input type="checkbox"/> Yes	<input type="checkbox"/> No	<input type="checkbox"/> Insufficient Data

Goal: _____

Priority			
Focus	<input type="checkbox"/> Charter	<input type="checkbox"/> Authorizer	<input type="checkbox"/> Other:
Measurement Type	<input type="checkbox"/> Absolute	<input type="checkbox"/> Relative	<input type="checkbox"/> Growth
