

Cadet Travel Policy

The following information is for all travel situations involving Utah Military Academy cadets, including sports teams and field trips.

For overnight travel, please make sure you have copies of the Cadet Travel Guide and UMA Chaperone Guide in advance of your trip.

General Travel Expectations

- Cadets must follow the school dress code
- No Public Displays of Affections allowed
- No bullying/hazing/or initiation activities of any kind
- No viewing of inappropriate material via the internet or any other source

Bus Expectations

(Van/automobile travel should follow this to the best of your capabilities as an adult chaperone.)

- Male and female cadets will not share seats on the bus. Male cadets will sit in the back of the bus and female cadets will sit toward the front.
- An adult will place themselves in the row of seats between the males and females. If there aren't any extra adults on the bus, there will be at least one empty row of seats between male and female cadets.
- **NO ONE** will share a blanket with their seatmate.
- No PDA on the bus of any kind.

This policy will be added as an addendum to the Cadet Code of Conduct for both campuses and will be put into the Code of Conduct next year.
