

Dear Lakeview Families,

Today it was announced by Governor Herbert and the State Superintendent that a school dismissal is in place effective Monday, 3/16/2020 for the next 2 weeks. This includes the dismissal of all afterschool activities as well. This situation has evolved rapidly, and we have been working diligently on a plan to prepare for this and have lessons prepared for your students while they are at home.

You will be receiving an email from your teacher about work that will need to be completed during this dismissal. More of that information will be coming by Tuesday afternoon. Student at home learning activities and assignments will not begin until Wednesday the 18th. As per the guidelines of a "school dismissal" please do not send your students to school until further notice. Additional information regarding school access and special services will be coming by Tuesday afternoon.

One requirement for our online classes will be access to a computer or device that can connect to Google Classroom and Google Hangout. If you do not have a device in your home that has this capability, or you have questions regarding this requirement, please email Perry Goodger at [pgoodger@lakeview-academy.com](mailto:pgoodger@lakeview-academy.com).

We appreciate your understanding, and working with us during this time. We appreciate the support of our families, staff, and Board of Trustees as we work through this new experience.
