

# Small Acts of Kindness

The characters in the book *Be Kind* by Pat Miller learn that even though you may only be able to do small things to serve and help others, those things can grow into big things.

Come up with an idea to serve someone in your home or community. Color and cut out the cards below and leave them at the site of your service to remind others to be kind!

Remember to  
Share a Smile!

Spread sunshine  
and kindness!

A Bridge Bullfrog  
loves you!

Extension idea: Discuss with your family difficult times in your life and how small acts of kindness made a difference
