

LEAD CLASSROOM TEACHERS (Multi-Age K-8 Classrooms)

The Project School in Bloomington, Indiana is currently seeking outstanding candidates to join their team of visionary educators in the 2020-2021 school year. Candidates must hold or be eligible to receive an Indiana Teaching License <https://www.doe.in.gov/licensing> or an Indiana Charter School License <https://www.doe.in.gov/licensing/faq-charter-school-license>. A minimum of 2 years of teaching experience, an advanced math license or relevant degree and experience to teach Algebra and Geometry, and/or Spanish language skills are all desirable but not required.

Candidates for consideration must demonstrate a commitment to:

- a collaborative culture
- a strong inclusion model
- multi-age classroom structures
- continuous professional and personal growth
- a strong work ethic
- creativity and innovation in education
- social justice and equity
- innovation and interdisciplinary curriculum development and instruction
- working with integrity and with a moral and ethical purpose
- arts infusion
- working from an assets-based view of children, families, and communities

Compensation is commensurate with experience.

To be considered for this position, please apply via our website theprojectschool.org. Please also submit to admin@theprojectschool.org a cover letter, resume, and a one-two page statement answering the following question:

Based on The Project School Teacher description (link below) what assets and experiences do you have that qualify you to be a Project School Teacher?

All application materials are due by Monday, March 30th. Materials may be considered on a rolling basis.

For more details related to the requirements of this position, see The Project School Teacher Description <https://www.theprojectschool.org/site/Default.aspx?PageID=235>
