Teaching Position Requirements

Updated 6/17/2020

Experience

We look for engaging teachers who love what they do. We will train the right teachers to transition or begin working in an online environment. All teaching positions require a Utah teaching license with the appropriate endorsement.

Applicants for teaching positions for concurrent enrollment must also possess a Master's Degree in the subject area they are teaching and be approved to teach through the appropriate college or university for the course.

Work Schedule

All full-time teaching positions require work to be done Monday thru Friday, 8:00 am to 4:00 pm. Work hours vary for part-time positions. Teacher contracts begin August 4th.

Remote Workspace

All teaching positions are remote for the 2020-2021 school year. Teachers are required to attend in-person student activities and employee meetings as State and Health Department guidelines permit.

Pay Scale

Pay commensurate with experience. Concurrent Enrollment teachers are paid \$4,000 per course.

Available Positions (Open until filled)
