

SPONSORSHIP OPPORTUNITIES

Over the last few months, the Coalition of Public Independent Charter Schools has closely monitored the developments of the Covid-19 outbreak and made the difficult decision to cancel our 2020 Independent Charter School Symposium (#ICSS20) in Denver.

We are redirecting and reimagining #ICSS20 and bringing you the 2020 Independent Charter School Virtual Conference (#ICSVC20) this November. Join us on **November 16, 18, and 20** as we celebrate independent charter schools and explore the endless possibilities of the future of public education. All across the country we have seen independent charter schools take charge in providing students with an innovative education. Let us come together this Fall to celebrate, collaborate and reflect on where we are at this time.

Our innovative and community-rooted schools have flourished with the support of professional service organizations like yours. Please support the work of these schools and help lay the foundation for the future growth of community-based charter schools by being a sponsor of our virtual conference.

WHO WE ARE

The Coalition of Public Independent Charter Schools is a national voice for community-based public charter schools. We celebrate and support innovative, inclusive, and transparent approaches to education. CPICS connects school leaders and communities by sharing effective practices through advocacy and service.

CPICS MEMBERSHIP

Independent charter schools have flourished with the support of service providers. We are pleased to invite charter school service providers to join our organization as members. Your membership support will help us reach more schools and impact more lives! As CPICS members, your organization can attend meetings and register opinions on issues related to charter schools and public education. You will also receive our newsletter and exclusive notifications of all CPICS events.
