

Mountainville Academy Reopening Plan at a Glance

Fall 2020

Minimize Outbreak

No lockers will be issued to Middle School students. Backpacks will be allowed in classrooms to keep student belongings separated.

Visitors, non-regular staff and volunteers will be required to wear face masks, have a temperature check, and complete a symptom checklist.

Employees will wear face coverings when distancing is not possible. This will include face shields that will be provided.

Stay Home When Sick

Stay home when appropriate

If a student feels sick or has a temperature, stay home.

Monitor Symptoms

Students who present with COVID-19 symptoms during the school day will be isolated in a quarantine room until a parent can pick them up.

Accommodate High-Risk Students

Students will be supported when identified as high-risk students to mitigate risk.

Physical Distancing

Classrooms will have assigned seats to support contact tracing. Classrooms doors will be open to limit touch.

Nonessential furniture will be removed from classrooms to allow for distancing.

Signage will be applied to floors to direct traffic in high traffic areas

School dismissal will be staggered to minimize congestion in hallways and entrances/exits to the school.

Students will **sit with classes at lunch with tables** spread throughout gym or may eat outside.

Hygiene

Respiratory hygiene will be reinforced to teach covering coughs and sneezes with a tissue to discard after one use or into elbow.

Correct Handwashing will be taught and hand sanitizing stations will be available throughout the school and emphasized before and after meals in the gym.

Physical Contact will be reinforced that includes no handshakes, high fives, or hugs.

A cloth face mask will be provided to all students and staff to be worn during the school day as mandated by Gov. Herbert. Allowances may be made under the discretion of the teacher with appropriate distancing.

Cleaning and Sanitizing

Regular Cleaning and Disinfecting of frequently touched surfaces in the school and on playground equipment will occur daily.

Air Flow will increase throughout the building and filters will be changed monthly.

Sharing of items that are difficult to clean or disinfect will be minimized.

Custodial services will follow strict protocol for increased disinfection and cleaning.
