

## Summer Update No. 6

### What is included in PDMA Virtual program?

- PDMA will provide Technology for all K-8<sup>th</sup> grade students. iPads, Chromebooks, and Virtual Reality headsets.
- Learning days are Monday through Thursday, number of hours and schedule to be announced on a future date.
- Startup training, resources, and continued support will be available to students and parents with prior notification.
- There will be whole group, small group, and individual teaching lead by a PDMA teacher.
- Teachers will provide direct instruction using Google classroom, programs such as IXL, NWEA Reading Fluency and NWEA Map Growth.
- Engaging online lessons created and taught using state standards and PDMA curriculum.
- Spanish and Physical Education lessons will be provided.
- Continued access to services that support all learnings including but not limited to: Special Education, Speech/Language, English Language Learning, Emotional support, and meals program.

### How can families get help with internet access?

Assistance will be facilitated for families that do not currently have services.

### First Day of school August 17, 2020

PDMA In-person and PDMA Virtual are prepared to begin school year 2020-21 on 8/17/20.

All K-8 students will begin the school year in an enhance Distance Learning plan. In-person or hybrid classroom environment will resume as permitted by the Board of Education.

Friday, July 17, 2020

Please join us as we begin  
to launch our new website  
at:  
[www.PdmaBuckeye.org](http://www.PdmaBuckeye.org)

### PDMA Virtual Learning Commitment

Do you intend to stay Virtual as part of the PDMA Virtual Academy this year? We need to know! Please fill out the [PDMA Virtual Commitment](#) form virtually by Wednesday July 22, 2020 for each of your children that will be attending. This form is ONLY for students that are actively enrolled in PDMA. If you are enrolled and do not complete this form that indicates to us that you desire your child to learn on campus as soon as the campus is open.
