

## LOTTERY PULLS

This procedure sets forth how the lottery will be pulled at each campus in order to remain at our enrollment numbers with the change to ADM.

1. In the fall, the administration will determine when the lottery will begin and the dates of each lottery pull.
2. These dates will be posted to the Hawthorn Academy website.
3. Starting in August of the current school year, lottery pulls will be made each day to fill any open positions in any grade.
4. Daily pulls will continue up until October 1.
5. From October through the first of April, lottery pulls will be made on the first and third Friday of the month.
6. The last pull for the current school year will be the first Friday of April.
