The details for our PDMA Virtual Program are still being finalized. If you choose virtual learning for your student, it will include a schedule based upon grade level.

### **Who will my student's teacher be if we choose the Virtual Program?**

If you choose virtual program for your student, your student will have an assigned PDMA teacher.

### **How will my child be assessed if we choose virtual learning?**

Teachers will utilize the available and appropriate platforms to monitor and record your student's mastery of concepts.

### **Will I be able to change my mind and go back to In-person program if Virtual program is not working for us?**

No, the only options available for both our PDMA In Person program (K-8) and our PDMA Virtual program (K-8) are full day Monday thru Thursday 7:30 AM-3:15 PM. Our preschool program runs Monday-Thursday 7:30-11:30 AM (in person).

### **Will you be pro rating the preschool fee if we do not begin August 17?**

Although our monthly rates are not usually prorated for preschool, charges for August will not be made until we commence and will reflect days of attendance.

### **If I do not want my preschooler to begin when school starts because of the current COVID-19 numbers, can we still save their spot for when the numbers decrease, and I feel more comfortable sending my student?**

If you choose this route, a holding fee will be assessed and will be specified on the Preschool Agreement at a later time.

### **Will you offer ballet and martial arts this year?**

Ballet and Martial Arts will not be offered during school hours this year. Ballet will be offered during after school hours. PE and Spanish will continue to be held twice a week.
