Lunch: Reduced - \$0.40. Full price - \$2.30. Adult & non-student - \$3.40

There will be an email sent to all parents, which will include two sign-up forms. One form will be for in-classroom students' Friday meal order. The other form will be for online students' weekly meals. Please use the applicable form to order your students' meals each week. Also, please be aware that once these forms are submitted, the meal(s) will immediately be charged to your student's account (even if the meal is not picked up). It will be very important to submit your meal order form before the weekly deadline, thus giving the lunch staff enough time to order supplies and prepare the meals. We'll do our best to make sure this process runs smoothly. As always, if you have any questions please contact Ola Linton at 801-331-6788 ext.125.
