Dismissal Policy

In an effort to keep your children safe, we have the following procedures for dismissal.

- Children who walk or bike home, or are picked up at the church, will be required have a signed permission slip in order to do so. The form is on our website and must be signed and turned into the child's homeroom teacher before the child will be allowed to go off campus.
- Children that leave the campus may either walk home or walk to the church to be picked up. No child will be allowed to wait along the fence to be picked up.
- All other children are required to wait with their class only. They will not be allowed to wait by the flag pole, with a sibling, with a car pool group, or at any other spot. Weather permitting, children are required to sit to wait.
- Parents/car pool pick up are required to place a sign in the front of their vehicle stating the name of their children and their clusters. This will help the process move quickly.
- Parents are still allowed to park and walk up to get their children. They may walk up to the designated class waiting space to pick up their children. All parents and students are required to use the school crosswalk and are not allowed to cross through the carpool lane.

We believe these policies will ensure the safety and well-being of your child. As always, we appreciate your support in this, and in all matters, as partners in the education of your children.
