

BRIDGE BULLETIN

SEPTEMBER 5, 2020

DEAR FAMILIES,

Can you believe it is already September? Our students are doing a terrific job with classroom and school procedures - this is always the hardest part in a brand new school in a brand new school year. We are grateful that you have selected Bridge Elementary as your child's school and TOGETHER we can help your child achieve the desire to become a lifelong learner.

Have a terrific THREE DAY weekend!

**NO SCHOOL ON MONDAY, SEPTEMBER 7TH
FOR LABOR DAY HOLIDAY.**

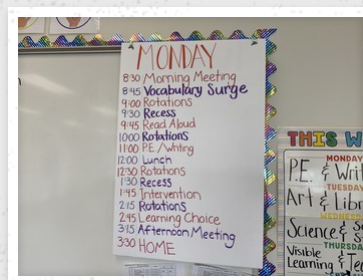

WATCH ME LEARN WINNER

Students turn in Watch Me Learn tickets for fabulous prizes!

OUTDOOR EATING

Students and staff enjoy our outdoor eating experience during lunch.

NOT YOUR TYPICAL "SIT & GIT" SCHOOL

Some classes use a daily visual schedule to help students prepare and plan for each activity. Our students are actively engaged in their learning.

BRIDGE ELEMENTARY - OUR MISSION

 Facebook

The mission of Bridge Elementary is to provide students with a personalized learning experience and **empower** them to take personal ownership and accountability for their **own** academic performance.

FREE BREAKFAST & LUNCH FOR ALL STUDENTS BEGINNING SEPTEMBER 14TH

What? Yes, the headline is correct! Thanks to Chef Dave's hard work and a grant from the USDA, Bridge Elementary will be providing FREE breakfast and lunch to all of our students beginning Monday, September 14. This includes our online students who will soon have a form to request meals for an ENTIRE week with just one curbside stop. Free meals will continue until the funds run out, or December 31, whichever comes first. Our breakfast and lunch menu can be found on our website at <https://www.bridgecharter.org/lunch>

PARKING LOT SAFETY

We are super impressed that our parking lot is cleared out within 15 minutes each day. I have been to many charter and district schools where it is often close to 30 minutes before the parking lot is empty. However, that doesn't mean there aren't concerns regarding student safety. PLEASE help us keep you and your family safe by following these rules:

- No cell phone use while driving or walking through the parking lot. Distracted drivers are dangerous and distracted pedestrians are not paying attention to their own safety.
- Pull as far forward as possible. Your students will be lining up near the north side of the portico. Pulling forward AS FAR AS POSSIBLE allows more cars to stack along the curb and more students to load in cars quickly.
- Be courteous - allow others to merge in from the parking lot and bypass lane to the exit lane.

- Walk across the crosswalk at the front of the school to pick up your students. PLEASE do not wave your kids across the parking lot.
- For your safety, PLEASE do not park on the west side of Midland Drive and try and run across the road. If you choose to park there, NEVER direct your child to run across the road to your car. If you are parking here, you MUST exit your car and come to the front of the school and escort your child to your car.
- Most importantly - be kind and patient. Everyone wants the same thing - quick exit and the safety of our kids.
