

Flyer Update January 8, 2021

I hope everyone had a wonderful break and a happy new year. With the New Year I hope everyone stays safe and healthy. Please do not send students to school if they are sick or have any symptoms of COVID-19.

Our lottery is now open for the 2021-2022 school year. Please tell you neighbors, family, and friends that they can enroll in the lottery at l1 charter.org. Our first lottery pull will be on February 1st. The best chances of being accepted into the lottery is during that first pull. For more information regarding our augmented kindergarten program details and more information on how to apply will be emailed out during the spring.

Please make sure you register your students for next year. I sent out an email earlier this week with information on how to register. This needs to be done by January 22, 2021 to ensure your children's spot are secured for next year. Click this link to register for the upcoming school year. <https://leadership.usoe-dcs.org/Students/Register/Start>

Please send your students to school with a face mask and an extra in their backpack. We have many students coming to school daily without a mask. We don't have many masks left to hand out. Students will have to start calling home if they don't have a mask.

I wanted to give you another reminder that breakfast and lunch are free for all students and their siblings 18 years and under. We serve breakfast from 8:00 am to 8:30 am. If you want your children to eat breakfast at school please get them here by 8:15 am so they have plenty of time to eat.

- Mrs. Robin
