### **Late Students**

We have had many late students to school each day. Please try your best to get your kids here to school on time each day. They are missing important concepts and it makes it hard to get them caught up.

### **Lottery**

Our lottery is now open for the 2021-2022 school year. Please tell you neighbors, family, and friends that they can enroll in the lottery at [llacharter.org](http://llacharter.org). Our first lottery pull will be on February 1<sup>st</sup>. The best chances of being accepted into our school is during that first pull. For more information regarding our augmented kindergarten program, please watch for details and more information this spring.

### **Breakfast**

If you would like to have your children participate in our free breakfast program, please try to have them here by 8:15. Being here by that time will give them plenty of time to eat without missing class time.

### **Water Bottles & Masks**

Please make sure you are sending your children to school with a water bottle and a mask. We do not have drinking fountains or extra masks. If you would like to donate water bottles or masks we'd greatly appreciate it.
