Fundraising Policy

Effective Date: 23 January 2015

Revision Date:

PURPOSE

The purpose of this policy is to establish GW policy governing the initiation, authorization, and review of all fundraising activities of GW. This policy is intended to create practices that adequately safeguard public funds, provide for accountability, and ensure compliance with state and federal laws. GW encourages community and business partnerships that enhance and supplement the public education system. GW also desires to protect students, parents, teachers, and school administrators from over-commercialization and fundraising efforts that are coercive and disruptive to the education processes, threatening to the health and welfare of students, or lacking in educational merit.

SCOPE

This policy applies to all GW administrators, licensed educators, staff members, students, organizations, volunteers and individuals who initiate, authorize, or participate in fundraising events or activities for school-sponsored events.

It is expected that in all dealings, GW and school employees will act ethically and consistent with the GW's ethics training, the Utah Educators Standards, the Public Officers' and Employees' Ethics Act, and State procurement law, as is applicable and required for charter schools.

POLICY STATEMENTS FOR FUNDRAISING ACTIVITIES

1. "Public funds" are money, funds, and accounts, regardless of the source from which the funds are derived, that are owned, held, or administered by the state or any of its political subdivisions, including GW (Utah Code 51-7-3[26]).
2. Fundraising is permitted within GW to allow GW to raise additional funds to supplement school-sponsored academic and co-curricular programs.
3. "School-sponsored" means activities, fundraising events, clubs, camps, clinics, programs, sports, etc., or events, or activities that are authorized by GW that support GW or authorized curricular school clubs, activities, sports, classes or programs that also satisfy one or more of the following criteria. The activity:
 - a. Is managed or supervised by a/an school employee.
 - b. Uses GW's facilities, equipment, or other school resources.
 - c. Is supported or subsidized, more than inconsequentially, by public funds, including the public school's activity funds or minimum school program dollars.
 - d. Does not include non-curricular clubs specifically authorized and meeting all criteria of Utah Code 53A-11-1205 through 1208.
4. GW is committed to principles of gender equity and compliance with Title IX guidance. GW commits to use all facilities, unrestricted gifts and other available funds in harmony with these principles. GW reserves the right to decline or restrict donations, gifts, and fundraising proceeds, including those that might result in gender inequity or a violation of Title IX. Fundraising opportunities should be equitable for all students, comply with Title IX, and be in harmony with Article X of the Utah Constitution.
5. All fees for school-sponsored activities must be properly noticed and approved by the local board of education and are subject to fee waiver provisions in R277-407.
6. Principals, consistent with GW policy, have the responsibility to waive fees, if appropriate. Individual teachers, coaches, advisors, etc. do not have the authority to waive board-approved fees.

7. All monies raised through fundraisers for school-sponsored activities are considered public funds. GW is ultimately responsible for the expenditure and allocation of all monies collected and expended through student, school organized fundraising.
8. The collection of money associated with fundraisers for school-sponsored activities will comply with GW cash receipting policies.
9. The expenditure of any public funds associated with fundraisers for school-sponsored activities will comply with GW cash disbursement policies.
10. Properly approved school-sponsored activities may:
 - a. Use the school's name, facilities, and equipment.
 - b. Utilize GW employees and other resources to supervise, promote, and otherwise staff the activity or fundraiser.
 - c. Be insured under GW's general liability insurance policy.
 - d. Provide additional compensation or stipends for GW employees with the approval of the executive director or immediate supervisor.
11. School-sponsored activities must comply with all fee approval and fee waiver provisions established in Utah Code and Utah State Board of Education rules.
12. Authorization and supervision of fundraising for school-sponsored activities:
 - a. Fundraising at GW shall be approved prior to the activity, by the Executive Director supervised by LEA employee(s) designated by the Executive Director.
 - b. Donations from individuals or organizations will follow GW's gift and donation policy.
 - c. The sale of banners, advertising, signs, or other promotional material that will be displayed on school property must be approved by the executive director before the items are initiated or printed, and must meet community standards. Partisan or political advertising and advertising for products that are prohibited by law for sale or use by minors, such as alcohol, tobacco, or other substances that are known to endanger the health and well-being of students, are prohibited.
 - d. All fundraising projects for construction, maintenance, facilities renovation or improvement and other capital equipment purchases must be approved by the Executive Director and the GW board.

GENERAL FUNDRAISING STANDARDS

1. GW reserves the right to prohibit, restrict or limit any fundraising activities.
2. Faculty and student participation in fundraisers is typically voluntary. However, employees may be directed to supervise specific activities as an employment assignment. Students, including fee-waiver-eligible students, may be required to participate fully in school, team, or group-wide fundraisers in order to benefit from fundraisers.
3. Participation in fundraising shall not affect a student's grade. Students shall not be required to participate in fundraising activities as a condition of belonging to a team, club or group, nor shall a student's fundraising effort affect his/her participation time or standing on any team, club or group, except as to fee waiver requirements.
4. Competitive enticements for participation in fundraisers are discouraged. If prizes or rewards are offered by a selected fundraising vendor, they should only be awarded to groups, classes or students, and must be disclosed and approved prior to the fundraiser. Rewards, prizes, commissions, or other direct or indirect compensation shall not be received by any teacher, activity, club or group director, or any other GW employee or volunteer.
5. Schools may not impose a sales quota (or the like) as part of fundraising efforts, and students or parents shall not be required to pay for any unsold items, or pay for goals not met.
6. Door-to-door sales are prohibited for all students in elementary and middle schools.

7. Approval may be denied for fundraising activities that would expose the school or GW to risk of financial loss or liability if the activity is not successful.
8. Fundraising activities shall be age appropriate, and shall maintain the highest standards of ethical responsibility and integrity.
9. Fundraising revenues should be accounted for at an individual contribution level or participation level. Participation logs should be retained and turned into the accounting office to be included with the deposit detail.
10. Employees who approve, manage, or oversee fundraising activities are required to disclose if they have a financial or controlling interest or access to bank accounts in a fundraising organization or company.
11. Records of all fundraising efforts shall be open to the parents, students and donors, including accurate reporting on participation levels and financial outcomes. This policy does not require the release of students' personally identifiable information protected by FERPA.
