

BRIDGE BULLETIN

FEBRUARY 27, 2021

FROM THE DESK OF THE PRINCIPAL

Happy almost March! Time flies when you are in the middle of a pandemic during the middle of the first year of opening a brand new school!

The final term of school (that is NOT a typo) begins March 28, 2021. If your student is an online student and wants to come to school for face to face instruction, or if you need your child to move to online instruction for the final term of school, please contact [Sara Tucker](#) ASAP to make sure we are prepared for your student.

As busy as we are completing the current year, we are just as busy planning for the next year. We are excited about some changes we are implementing for Year #2 and will be sharing these changes with you soon. Take a moment to look at next year's calendar on our website <https://www.bridgecharter.org/school-calendar-2021-2022>

Have a terrific weekend and we will see you Monday morning!

READ ACROSS AMERICA

Read Across America, is an initiative that began in 1997 to encourage children to read more books and also getting them excited about reading. Teachers at Bridge will be incorporating more literature into their curriculum to help our students get more excited about reading.

On March 2, Dr. Seuss's birthday, students at Bridge can wear their favorite hat to help celebrate the well known and beloved book, "The Cat in the Hat".

TWO GUN SALUTE

Remember that extremely generous donation from Roy City of FIVE Victory Electrostatic sprayers and disinfecting tablets? This is our amazing custodian, Rena Oliver, giggling with excitement as she begins to put these amazing sanitizing tools into action! These sprayers will help us sanitize our school and playground equipment in less time while also providing more coverage, especially in those hard to reach areas.

If you have time, PLEASE reach out to Roy City and thank them for this amazing gift!

SHIRT ORDER PLACED

Our recent spirit shirt campaign ended on February 25. This order included red, purple and black shirts (short sleeved, long sleeved and hoodies). Shirts are ordered and will be delivered and given to students the middle of the month. Our next order will be in April - stay tuned for more information.

We use this particular vendor (Custom Ink) for a couple of reasons. The number one reason being the reduction of staff time needed. This vendor allows online sales ensuring our staff time is not used collecting money, managing orders, or selling shirts. Because the vendor only prints the shirts that are ordered, Bridge is never stuck with shirts that we were unable to sell. Additionally, we have been very pleased with the quality of the shirts and the pricing.

FREE & REDUCED MEALS APPLICATION

Although meals at Bridge Elementary are FREE for all students this year, please take a moment to complete the Free/Reduced application through your Aspire account. It is a quick process - just log into Aspire and the application link is on the right hand side. If you need help accessing Aspire, please call the school (801)499-5180 or email [Lalani Williams](#)

When a parent's income qualifies a student for Free or Reduced meals, Bridge Elementary receives more money from the state to help us continue providing our FREE meals to all students.

SCHOLASTIC BOOK FAIR

Bridge Elementary is hosting an online book fair. Each of your purchases provides points for the school to use to select new books for our library. You can choose to have your books shipped to your home or delivered to the school with our library order.

Any questions about our virtual book fair can be sent to our librarian [Kaylie Langhaim](#)

With a \$25 order, you can pick a FREE \$5 Book (use code: READS).

READY2TEACH

Bridge is ALWAYS in need of great subs! If you are interested in subbing at Bridge - lunchroom, recess, classrooms, special education, etc. please apply today through Ready2Teach using the button above. We pay \$12 for all substitute positions.

VISIBLE LEARNING - THOROUGHNESS

This month during Visible Learning, students are learning about the importance of Thoroughness "Taking care of details and doing my best."

Please have your students practice the following "I Will..." statements.

- I will plan my work.
- I will pay attention to details.
- I will make a list so I don't forget.
- I will finish what I start.
- I will clean up along the way.

Our mission is to empower students to take ownership of their own learning. By learning, practicing and embracing these visible learning traits, students will have the skills needed to become accountable for their own lifelong learning. You can find the six Visible Learning traits on our website at [Visible Learning](#)
