

COVID-19 vaccine information

Getting stronger together starts here!

Walmart is currently providing COVID-19 vaccinations in the Salt Lake City region. **Insurance is not required and there is no cost to receive the vaccine.**

Why should I get vaccinated?

Getting the COVID-19 vaccine not only helps protect you, but also those around you who are not yet eligible to get the vaccine or are extra-vulnerable. By doing so, you're performing an act of service for your community and freeing up health care resources for those in need with other health conditions.

To learn more visit [CDC.gov/Covidvaccine](https://www.cdc.gov/Covidvaccine)

Is the vaccine safe?

Yes! The vaccine is safe and more than 90% effective in preventing COVID-19 after two doses*.

When you receive your first dose, we will schedule your appointment for the second dose. It is absolutely necessary that you receive both doses. The COVID-19 vaccine cannot give you COVID-19.

Can I get the COVID-19 vaccine now?

Check your state health department's website to determine whether you are currently eligible to be vaccinated. If you are eligible, you can find a participating Walmart vaccination location and schedule an appointment by visiting www.walmart.com/COVIDvaccine.

February 25-March 1, from 8:00 a.m.-4:00 p.m. Appointment Needed.

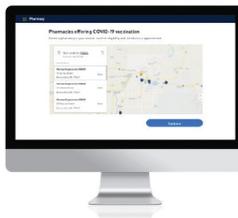

How to schedule a COVID-19 vaccine appointment

The COVID-19 vaccine is available at no cost to you**.

1. Go to www.walmart.com/COVIDvaccine.

2. Visit our webpage select "schedule now," and log in to your Walmart account or create a new account.

3. Select the location you would like to visit.

4. Check your eligibility and complete our registration forms.
