After some lengthy consideration, we decided to proceed through **Mon, Tues, and Wed. of Spring Break** to make up school days that were cancelled due to the blizzard.

Remarkably, both schools are showing better than projected academic progress in a year that's been marred by disruption. Pushing this burden off to the end of the year would only detract from our progress.

Highlights below:

- **Bussing** - The District will be unable to provide busses during Spring Break. If families cannot get their students to school due to transportation issues, please inform our front office so your student can attend *online* for those 3 days.
- **Breakfast / lunch** - Meals will be available for all students.
- **After-school activities** – Activities are cancelled during the 3 make-up days.
- **Calendar change** – The half-days scheduled on May 14th, May 28th and June 4th are now *full days* with dismissal at 4:10pm.

We understand families had other plans for the week, but we ask that parents assist us in this sacrifice. Please feel free to contact us with any questions or concerns.

Thank you for your patience and understanding.

Sincerely,

Administrative team
