

TRANSITION FROM SCHOOL TO ADULT LIFE

Families of youth and young adults with disabilities have learned many things, but most admit that they have much more to learn. The transition to adult life can leave parents feeling they are totally lost! This workshop is designed to help parents learn about transition planning and related issues. We will also discuss how to prepare your teen to participate in the transition planning process as well. Participants will also receive a workbook.

**WEDNESDAY
APRIL 14TH**

7:00PM to 8:00PM

READY FOR
ADULTHOOD

Free Zoom Class for Parents of students ages 12 and older receiving special education services
