

## **Volunteer Hour & Donation Guideline**

The active participation of parents is vital to the success of Lakeview Academy. We believe that through volunteering, parents demonstrate to their children the importance of education.

SAC desires to help families fulfill their recommended volunteer hours (4 hours per month or 40 hours per year). SAC works hard to provide a variety of opportunities for all households with different circumstances to be able to achieve this goal. It is recommended that volunteer hours be done primarily by volunteering in classrooms, fieldtrips, enhancements; take home projects, attending board meetings and/or other school sponsored activities. Hours can also be obtained by supporting those that are volunteering in the school in ways such as babysitting.

In addition to the many various ways parents can actively volunteer, when donations are required for additional, special events, such as but not limited to, enhancements, the science fair, 9<sup>th</sup> grade etiquette meal, drama, history fair etc. each product donated can earn up to but no more than 30 min volunteer time.

Classroom supply donations are considered part of educational student support and thus do not qualify for volunteer hours.

Cash donations for parties, teacher gifts etc. should not be donated directly to other parents. IF parents choose to do this they will be doing so at their own risk.

Any additional questions on services and volunteer hour qualification will be addressed by the chair of the SAC and the school administration.

### **Donation Guideline**

Parents may choose to donate money in lieu of volunteer hours up to 20 hours. The cost is \$15.00 per one hour of service.
