

Bridge Elementary Teacher and Student Success Plan
School Year: 2021 - 2022

School: Bridge Elementary

Date Board Student Success Framework Approved: June 16, 2020

Date Teacher and Student Success Plan Approved: April 20th, 2021

Bridge Elementary Goals based on School Needs

1. Students in grades 4-6 at Bridge Elementary will show growth in language arts and math will be higher than the surrounding district schools in 3- mile radius.
2. Students in grades K-3 at Bridge Elementary will show a 15% increase between the percentage who tested at benchmark in reading at the beginning of the year (BOY) and the percentage who tested at benchmark in reading at the end of the year (EOY).

Measurement

1. Goal 1 as measured by end of year summative test and using the state's Median Growth Percentile.
2. Goal 2 as measured by the comparing the BOY and EOY composite scores in Acadience.

Action Steps

- Administration will provide teachers and/or staff with professional learning opportunities to implement data-based decision making.
- Teachers will use data to create instructional opportunities for students.
- Students will take end of year summative tests in language arts and math.
- Students in grades K-3 will take Acadience benchmark and progress monitoring tests based on state requirements and best practices.

Budget

- 10% of the TSSA funds will be used for professional learning activities.
- 90% of the TSSA funds will be used for augmentation of existing programs.

The school must post on its website (a) the approved Plan, (b) a description of the school's allocation budgeted and actual expenditures, (c) a summary of how the expenditures help the school accomplish the plan, and (d) the school's current level of performance.
