What you should know:

Announcements/Information

- The Fun Run was a HUGE success! We couldn’t have done it without all the fantastic parent support. A special thanks to Ms. Kara and Coach D for putting it all together and making things happen. Thank you to all of the parents that came and supported your kids! It was a fantastic day! We raised $28,674. We LOVE our Greenwood families! Thank you for your support! This money will help us to fund our expeditions next year including fieldwork and our outdoor classrooms that we will begin working on.
- We have a new teacher! Ms. Nanci will be helping us with our Covid cases and quarantine. She will be reaching out to help your student if they are put on quarantine. She is also available for help and questions during the day. She can be reached at ntischler@greenwoodcharter.org. We are so excited to have her! Welcome Ms. Nanci!
- Here is the link to excuse your child’s absence if they are sick. Please let us know if your child will be absent.
- We value your input. It is time for our tri-annual survey. Please take the following survey and let us know how you think things are going. Thanks for taking the time to give us some feedback.
- October 28th was the last day of the quarter. All grades will be updated by Friday, November 5th. You can access these in Jumprope. You should have received an email at the beginning of the year. If you didn’t get this or don’t remember and need help, please contact the office.
- You can find the lunch menu here. Thanks Ms. Alycia for making such delicious, healthy meals for us!

Welcome:
We would like to welcome Ms. Nanci. She will be helping us with quarantine and contact tracing. She is also helping with PE.

Volunteers Needed:
Coach D and the Student Council are looking for volunteers to help us with our “Christmas Float” this year for the Ogden Lights Parade, Nov. 27th! If you are interested in helping us decorate, or have a flatbed trailer we could use, please let us know ASAP. We need your help to make this awesome! Please contact Coach D at: dsciandra@Greenwoodcharter.org or the front office if you are interested in helping us have the best float in town!

Student Led Conferences
Nov 22 & 23

Student Led Conferences are different because they place students at the helm of teacher supported discussions with parents about student progress and learning. They also give students an opportunity to prepare, reflect on and discuss evidence of their growth through their student portfolios. This is a time where students meet with parents to discuss their strengths, weaknesses and goals for the next few months. If you need a separate meeting with the teacher, please make that outside of SLCs. This is a time for your student to reflect and share their learning. Teachers will be supporting but not leading this discussion.
