

October 15, 2021

Good Evening Northwood Parents/Guardians,

I am writing to you regarding an incident that occurred at Northwood this afternoon. As a group of our students were attending recess on the playground, a man walked by our locked fence and told a few students that he had a knife.

The students were immediately removed from the playground and our safety team responded. The Philadelphia Police Department was onsite within 10 minutes and searched the surrounding area.

As always, the safety of our students and staff is our top priority. Have a good weekend.

Sincerely,

Kristie Dugan, M.Ed.
Chief Operating Officer
