

We are so excited to have you in our Kindergarten! **In Kindergarten we focus on sharing and working together. For that reason, all of the supplies we ask our students to donate will be used by the whole class, rather than each individual student. Please do not label the supplies with your child's name. We will combine the supplies and keep them in the classroom.** We have been very fortunate to have generous parents over the past few years, for this reason, we have altered our donation list. There are a few ways to donate to Kindergarten.
